#### **PineGrove Pictures Presents \*Bohemian Rhapsody\***

**Friday 11<sup>th</sup> from 7.00pm**

Bohemian Rhapsody is a celebration of Queen, their music and their extraordinary lead singer Freddie Mercury. Predominantly following Freddie, the film traces the meteoric rise and success of the band, and delves into Freddie's darker influences when he shuns Queen in pursuit of his solo career. The film also chronicles the band's reunion and one of the greatest performances in rock history at Live Aid. Crammed pack with Queen songs, this is a film not be missed!
