

Martine Says:

Pronouncing French words “French-ly” *is* important

During her weekly “Say it in French” sessions at the Crowborough Community Centre, Martine, the *French*, French teacher always shows how to make yourself better and more easily understood in French, even when you only have a limited French vocabulary.

Taking the Plunge

From “School French” to expressing yourself in *spoken* French is, obviously, the next step to take in order to improve or brush up your knowledge of the language.

To enquire about taking part, give Martine a call on 01892 663232 or send an e-mail to: french.tuition@live.co.uk

Martine hold French sessions at The Crowborough Community Centre on Friday mornings 09:15-10:15 a.m.
