EXTANT – reflections on humanity and nature

Local artist Kay Carpenter will be exhibiting in the Gallery Community Café from Thursday 15th March until Wednesday 4th April. She uses a range of styles to play with light, shade and contrast, harnessing the spark of life and highlighting the distinctive beauty and drama of our everyday tableaux.

Kay will be drawing in the café on Thursday 15th, Thursday 22nd and Wednesday 28th March between 9.30am and 12.30pm and will be more than happy to say hello and have a chat about her work.
