### **PineGrove Pictures Presents \*Pond Life\***

**Friday 14<sup>th</sup> from 7.00pm**

Summertime, 1994. In a quiet mining village just outside Doncaster, a rumour stirs about the legend of a giant carp in the nearby decoy ponds. Trevor decides to take a brigade of young friends and neighbours on a fishing expedition. In a world of broken families, cassette tapes and rumbling political fever, these friends, each with their own struggles, share a moment of harmony as they witness the carp for themselves.
