NEW YEAR...MORE GOALS

Happy New Year MCDF Family! I pray that you all had a restful holiday, and you are ready to get back to a productive 2017. We have so much to do in a short amount of time, and of course we want to execute all that we do with excellence. So...it is time for us to get busy! We all have our individual goals, but I am asking that we consider some collective goals as we prepare for our 2017 Production "How to Love".

1. Arrive early and prepared to work hard.
2. Go above and beyond what is required to be excellent.
3. Have a positive and kind spirit. Do not allow negativity in your life (even on social media).
4. Eat healthy, balanced meals and drink plenty of water.
5. Never quit, even when things get tough....persevere!

I wholeheartedly believe that these goals apply to me as the studio director, our teachers, students, and parents. Let's make positive changes collectively, to be an amazing force as we move into 2017.

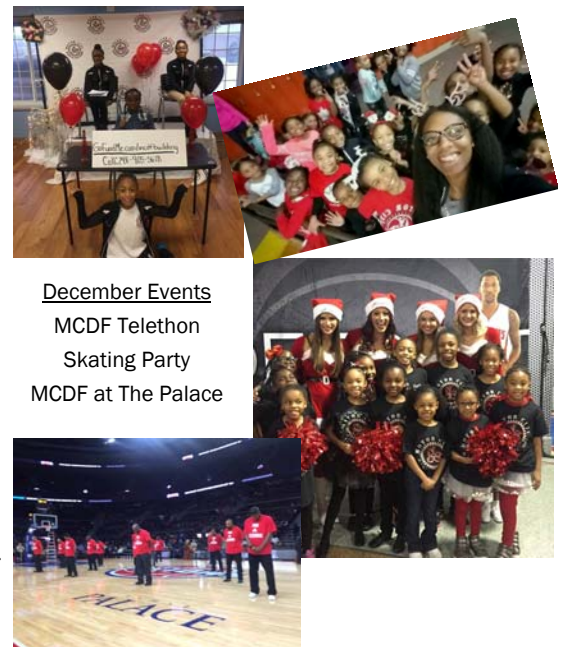

There will be a 2017 Vision board posted in the studio. We invite you to add your goals. It will remain there as a reminder, keeping us focused on what we want to do better this year! It is always my goal to be a better director for YOU and outdo my previous year. God Bless and thank you for being a major part of my life. Happy 2017!!!! *Ms. Camille*

CLASS AUDIT AND MEASUREMENTS

We need to do an audit to make sure that students are enrolled in the classes that they are actually taking. While ordering costumes last month, we realized that some students have switched days or classes without alerting the office via email. Teachers will also be responsible for checking their class lists for students who should be dropped or added. Once we do this and make sure all students have been measured, THEN we can order all costumes. In the meantime, please check your account and student's classes. Let us know if you find any issues that need to be addressed. We appreciate your assistance with this process.

THANK YOU FOR YOUR SUPPORT

Thank you to everyone who came out to support our fundraising efforts in December. We had so much fun! We appreciate you, your love, and support!
