CRUNCH TIME

Our 16th annual production “How to Love” is quickly approaching. Your dancer’s attendance is now more important than ever as their teachers are choreographing, spacing, and cleaning the dances for the show. Please make every effort to have your dancer in class, dressed in uniform during these critical months. It is our goal to have every student well-prepared for their big performance in May!

RECITAL DATES

This year our recital will take place over the course of two days. “Show A” will take place on Saturday, May 20th at 6PM and “Show B” will take place on Sunday, May 21st at 3PM. The stage rehearsal for Show A will be on Wednesday May 17th and Show B on Thursday May 18th. Rehearsal schedule will be released at a later date.

The Show Split will be released in mid February.

RECITAL TICKETS

Tickets for the show go on sale in early April (4/1 for Show A and 4/8 for Show B). Please read the ticket information attachment very carefully. Ticket prices, box office hours, and ticket policies are all covered in the attachment. Tickets may be purchased at Motor City Dance Factory until Saturday May 13th.

RECITAL PROGRAM BOOK ADS

Now is the time to start getting your family, friends, churches, and local businesses to support your MCDF dancer and also advertise in our 2017 Recital Souvenir Book. Ad Contracts and payments are now being accepted and are due no later than Saturday March 25th.

MCDF GEAR

Do you want to represent MCDF with your gear? We are placing another order on February 25th, so don’t miss out! Gear forms can be picked up in the office.

VIEW YOUR COSTUMES ONLINE

Most costumes may be viewed through your parent portal under “View/Upload Class Documents”. Costumes are still being added daily.

In March, we will release a list of recital needs to go with all costumes (ie shoes, tights, etc.). If you have shoes that your dancer has grown out of, please consider donating them. You may also come in and get shoes that have been donated if you need them.
