Island Vibes Volunteers

Do you like working with children? Are you a great organizer or manager of people? Are you looking for a way to lend your talents to Motor City Dance Factory? If so, you are in luck! We are looking for dedicated backstage volunteers for our 2018 Recital "Island Vibes". Our backstage workers keep order backstage during the show. They are responsible for assisting the dancers with the changes, taking them to and from stage, and keeping them entertained during the run of the show. It is a gratifying experience to know you helped make the show happen; however, volunteers are not able to sit in the audience and watch the show. Most volunteers will be placed with their child's class, so they may see the class' performance from backstage.

If you are planning to volunteer at the recital you are REQUIRED to attend and volunteer at the Theatre Rehearsal for the show in which you are volunteering. The Show A Rehearsal is on May 16th and the Show B Rehearsal is May 17th. Rehearsal call time is usually 4:30 PM. It is very important for our volunteers to be present at the start of rehearsal to receive the dancers. As a volunteer, you will most likely be one of the first to arrive and the last to leave, so please make sure this is possible before you commit to being a backstage volunteer.

If you are interested in volunteering to work backstage please sign up as soon as possible through the "Sign Up Genius" link that has been provided.

The 2018 YEARBOOK!

All of our registered dancers and gymnasts will take an individual picture for our Program Yearbook! This year's program book is a little different than what you may be accustomed to. There won't be ads in this year's program, but we will return to our original style programs next season. Because it is a yearbook, all of the students (new and old) will be included!

C-Stop Photo will be at the studio Saturday 4/14 (morning classes only) through Saturday 4/22 to take individual headshots of all of our students. They will take the pictures during their regularly scheduled class time. Students should wear their red leotard or a plain black shirt for the picture. Hair should be neat but no particular style is required.

SUMMER 2018

Summer classes at MCDF Run June 18th - August 18th. Online registration for Summer 2018 begins on April 16th. This is a great opportunity to sharpen your skills in preparation for the 2018-2019 season. It is also a great transition for students who are moving to a higher level. We are also excited to announce our Summer Day Camps! Each week will culminate with an exciting performance by the campers. See our website for details.
