RECITAL INFO

Have you read the email that details information regarding our 2018 Production "Becoming a Super **S**Hero"? The email that was sent out on Saturday January 26th outlines the details of the show, what classes are participating in what shows, the rehearsal schedules, ticket information and more. It is very important information for all dancers, so please review the information and let us know if you have any questions. You may also get a copy of the information from the front desk!

ATTEND-DANCE

It's time to learn choreography for our show, so attendance is important! This recent Polar Vortex has unfortunately taken a toll on attendance, and has caused unavoidable closures. Once it has lifted, it will be important that students are in attendance so we can get ready to prepare for our big show! Please check the schedule for appropriate make up classes for missed days!

We are very proud to announce that Fernando Jones of Fusion Tumbling and Fitness in Philadelphia will be joining us February 18 - 23! Fernando (Ms. Camille's first cousin) is a former competitive gymnast and was stunt man for Temple University and the Philadelphia Soul Arena Football Team. He comes to MCDF with a wealth of teaching experience. He owns a successful gym in Philadelphia that teaches pre-gymnastics thru professional level tumbling. In addition to our regular classes, we will host a cheer workshop on Friday February 23rd.

PISTONS GAME

Don't miss out on our family fun day at the Detroit Pistons vs. Toronto Raptors Game on Sunday March 17th. MCDF Dancers will perform before the game and we will high five the Pistons Players as they enter the court! Ticket orders are due by February 15th, so order your tickets today! Kids on the first 20 orders will be eligible for the high five tunnel.

Dance practice starts February 3rd for those who are performing at the game. Dancers must be 8 and older and register through the parent portal or at the front desk to participate.
