Why use In Home Services?

Fluffy Puppy Pet Sitting specializes in providing high quality pet care. We work diligently with each client to determine the necessities for their pet ensuring while parents are away, their pet receive everything they need to guarantee their well-being and happiness. Using our in home services reaps benefits for both pets and pet parents. Once you experience our professional pet care in your home, you'll never worry about being away from your pet again.

Benefits to your pets include:

- Staying at home in his/her safe, secure environment
- Being surrounded by familiar sights, smells and sounds
- Following his/her regular diet and exercise routine
- Having play time
- Receiving love and personal attention
- Maintaining medical treatment, when required
- Having someone responsible in case of an emergency
- Eliminating the trauma of travel or an unfamiliar environment
- Helping to ensure good health (no exposure to other animals' illness or parasites)

Benefits for the pet parent include:

- Knowing that your pet is in caring, loving hands
- Having the confidence that the pet sitter can deal with other issues - such as grooming, vet visits
- Eliminating the trauma of having to transport and leave your pet
- Not having to impose on family, friends or neighbors
- Feeling your home is more secure (with someone going in and out several times a day)
