

Langcliffe Church

July Newsletter

A very warm welcome to our July Newsletter. Here are our services for the next few weeks, do hope to see you soon:

| | |
|-------------------|---|
| Sunday 8th July | Evensong at 6.00 pm |
| Sunday 15th July | Joint Service of Holy Communion here at St John's at 10.30 am |
| Sunday 22nd July | Holy Communion at 9.00 am |
| Sunday 29th July | Joint Service of Holy Communion at Horton at 10.30am |
| Sunday 5th August | Holy Communion at 10.30 am |

Canon Towers will be taking the service on 15th July. He and Elizabeth are celebrating their Diamond Wedding this month and David is celebrating his 86th birthday so I think we must have some cake!

We hope very much that Stephen, our Vicar is having a good rest and recovering well following his recent operation and we send him our very best wishes.

Our very grateful thanks to all those who so generously opened their gardens earlier this month and all those who helped in any way. We were incredibly lucky with the weather and it was a fantastic weekend. We discovered gardens we didn't know about and more have been offered for next time! The Gardeners' Question Time was brilliant and our thanks again to our wonderful panellists. We raised £850 for the church. Thank you.

Many thanks also to everyone who has donated to the Remembrance/Peace Window appeal. We have submitted the faculty application to the Diocese and now await their decision.

We have been asked to include the following items:

The Langcliffe Educational Foundation

The Langcliffe Educational Foundation is a charity which is able to give small awards to support further or higher education, training for work or careers or to develop skills. Awards can be used for travel costs, maintenance costs, books and equipment or for help with music or arts studies.

The awards are for people of any age who either live in the parish of Langcliffe or who attended Langcliffe Primary School. The Trustees encourage mature applicants as well as students and young people. If you qualify and wish to apply, please write to David Wiggin (Hope Hill Farm) or David Croll (Pendeen). If you need more information please contact David Croll (01729 822875). Applications must be received by 31st August.

And from the Parish Council, a notice about rats in the village:

Please be aware that food put out for birds is also feeding rats, the numbers spotted around the green seem to have decreased but around the church and the Institute they are still appearing.
