If, in response to an invitation for tenders, two or more holders of Class C Preference (Freeze) shares submit tenders at the same price and if such tenders are acceptable to the Corporation, then unless the Corporation accepts all such tenders in whole, the Corporation shall accept such tenders in proportion as nearly as may be to the number of Class C Preference (Freeze) shares offered in each such tender.

39. Redemption Procedure

In the case of redemption of Redeemable Shares pursuant to the provisions pertaining to such class set forth above, the Corporation shall, at least 21 days before the date specified for redemption, send to each person who at the date of sending is a holder of Redeemable Shares to be redeemed a notice in writing of the intention of the Corporation to redeem such Redeemable Shares. Such notice shall be sent by regular mail, postage prepaid, addressed to each such holder at the last address of such holder appearing on the register of the Corporation for such Redeemable Shares, provided that accidental failure to give any such notice to one or more of such holders shall not affect the validity of such redemption, and provided further that no such notice shall be required as regards any holder who waives such notice or who surrenders the certificate or certificates representing the Redeemable Shares to be redeemed and receives from the Corporation or its agent the Redemption Amount therefor and upon such surrender and payment such shares shall be redeemed. Such notice shall set out the Redemption Amount and the date on which redemption is to take place and if part only of the Redeemable Shares held by the person to whom it is addressed is to be redeemed the number thereof so to be redeemed. Such notice shall also state that the Redemption Amount will be paid to holders of the shares so called for redemption on presentation of the certificate or certificates representing such shares at the registered office of the Corporation or at any other place designated therein. On or after the date so specified for redemption, the Corporation shall pay or cause to be paid to or to the order of the holders of the Redeemable Shares to be redeemed the Redemption Amount thereof on presentation and surrender at the registered office of the Corporation or at any other place designated in the notice of the certificate or certificates representing the Redeemable Shares so called for redemption and thereupon such shares shall be redeemed. Such payment shall be made by cheque payable at par at any branch of the Corporation's bankers in Canada or, with the consent of any particular holder, by the issuance to such holder of a promissory note of the Corporation payable on demand or by any other means. If a part only of the shares represented by any certificate are redeemed a new certificate for the balance shall be issued at the expense of the Corporation. From and after the date specified for redemption in any such notice the holders of the Redeemable Shares called for redemption shall not be entitled to any dividend or to exercise any of the rights of holders of such Redeemable Shares in respect thereof unless payment of the Redemption Amount is not made upon presentation of a certificate or certificates in accordance with the foregoing provisions, in which case the rights of holders of the said Redeemable Shares shall remain unaffected. The Corporation shall have the right, at any time after the mailing of notice of its intention to redeem any Redeemable Shares, to deposit the Redemption Amount for each of the shares so called for redemption or for such of the said shares in respect of which a certificate or certificates have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption to a special account in any chartered bank or trust company in Canada named in such notice, to be paid

without interest to or to the order of the respective holders of such Redeemable Shares called for redemption upon presentation and surrender to such bank or trust company of the certificate or certificates representing the same, and upon such deposit being made or upon the date specified for redemption in such notice, whichever is the later, the Redeemable Shares in respect whereof such deposit shall have been made shall be redeemed and the rights of the holders thereof after such deposit or such redemption date, as the case may be, shall be limited to receiving without interest their proportionate part of the total Redemption Amount so deposited against presentation and surrender of the certificate or certificates held by them respectively and any interest allowed on such deposit shall belong to the Corporation.

40. Retraction Procedure

A holder of Retractable Shares may proceed by tendering to the Corporation at its registered office a share certificate or certificates representing the Retractable Shares which the holder desires to have the Corporation redeem together with a request in writing specifying:

(a) that the holder desires to have the Retractable Shares represented by such certificate or certificates redeemed by the Corporation and, if part only of the shares represented by such certificate or certificates is to be redeemed, the number thereof so to be redeemed; and

(b) the business day (in this and the next clause referred to as the "redemption date") on which the holder desires to have the Corporation redeem such Retractable Shares which date shall be not less than 30 days, or such shorter period to which the Corporation may consent, after the day on which the request in writing is given to the Corporation.

Upon receipt of a certificate or certificates representing the Retractable Shares which the holder desires to have the Corporation redeem together with such a request, the Corporation shall on the redemption date redeem such Retractable Shares by paying to such holder the Retraction Amount (as defined in the provisions attaching to such Retractable Shares) for each such Retractable Share being redeemed. Such payment shall be made by cheque payable at par at any branch of the Corporation's bankers in Canada or, with the consent of the holder, by the issuance to the holder of a promissory note of the Corporation payable on demand or by any other means. If a part only of the shares represented by any certificate are redeemed a new certificate for the balance shall be issued at the expense of the Corporation. The said Retractable Shares shall be redeemed on the redemption date and from and after the redemption date the holder of such shares shall not be entitled to any dividend or to exercise any of the rights of a holder of Retractable Shares in respect thereof unless payment as hereinbefore provided is not made on the redemption date, in which event the rights of the holder of the said Retractable Shares shall remain unaffected.

41. Postponed Retraction

If a holder of Retractable Shares shall have required the Corporation, pursuant to the provisions pertaining to such class set forth above, to redeem any or all of the Retractable Shares held by such holder and the Corporation cannot redeem the said Retractable Shares on the redemption date without thereby contravening applicable law, the Corporation shall redeem the said Retractable Shares, or such part thereof in respect of which the holder may consent, as soon as it is lawfully able to do so and until the said Retractable Shares are so redeemed the rights of the holder thereof shall remain unaffected, provided that the said holder may at any time by notice in writing tendered to the Corporation at its registered office withdraw the request that the said Retractable Shares, or such part thereof as shall not have been redeemed, be redeemed in which event the Corporation shall return to the said holder the certificate or certificates representing the Retractable Shares which had been tendered to the Corporation

or, in the event that a part only of the said Retractable Shares have been redeemed, a certificate representing the balance thereof which have not been redeemed.
