## Bitch Full Registration Contract

- Health testing of OFA hips or Penn hip and OFA heart at a minimum must be done prior to breeding. OFA Eyes and OFA Thyroid are also preferred to obtain a CHIC #
- Any changes in bitch's health must be relayed to GCD immediately.
- If the bitch fails her health testing, you agree to have her spayed, in the event this happens GCD will owe a new puppy to you from a future litter that is of equal value.
- Monthly photos must be sent to GCD to ensure proper care is being received.
- You agree to NEVER breed the bitch before 18 months of age or on her first heat.
- You agree to NEVER sell any puppies to commercial breeders, pet stores, etc.
- A return contract will go out with every puppy sold to insure they do not end up in a shelter, given away, or resold.
- You agree to take responsibility for any puppy produced.
- A health guarantee must be offered with each puppy.
- Any puppies sold on full from the puppy listed below must be mutually agreed upon by GCD and buyer.

By signing below, you are agreeing to these terms. Any violation will be a breach of contract and cause for immediate removal of the bitch.
