

Ashurts – Joss Dare

Jesdev has always been completely professional in my dealings with him. One has high expectations in dealing with a firm of Deloitte's repute and Jesdev consistently meets these. Without hesitation and I look forward to working with him again.

Dubai Department of Finance – Pawan Gautam

I have worked with Jesdev on various due diligence exercises and resultant recommendations to Supreme Fiscal Committee. I found him to be very professional in his role and the work done by Dubai Financial Support Fund and Deloitte team resulted in SFC making informed decisions about those companies. Some of the work done by DFSF and Deloitte has been recognised by international investor community especially in light of the recent developments in European sovereign and comparable response by these developed countries.

ENBD Bank – Suresh Kumar

Jesdev was offered clarity and credentials that underpinned the advice and discussions on specific transactions in the making. He met expectations and his engaging approach helped to clarify the matters, leading to potential constructive solutions to rather intricate financial and corporate restructuring challenges in the region.

RAK Investment Authority - Vijay Arumbakkam

Jesdev was professional with his work at all times, he met my expectations and in some instances suggested ideas/options to overcome potential hurdles in the considered transaction.

Road Traffic Authority – Atif Anwar

Jesdev lead one of the first true PPP Projects in RTA history, he is an asset to Deloitte and we find him very professional and hard working member of the team. Jesdev exceeded our expectations by providing professional advice and able to resolve all issues

Shurooq – Marwan Al Serkal

Jesdev was very professional, and certainly met expectations, I look forward to working with him again.
