

# Thomas M. Saladyga

Department of Social Sciences

Concord University

P.O. Box 1000

Athens, WV 24712

Office: Marsh Hall 125B

E-mail: [saladygat@concord.edu](mailto:saladygat@concord.edu)

Environmental Geography Lab: [www.saladyga-EGL.com](http://www.saladyga-EGL.com)

---

## Education

Ph.D. Geography	West Virginia University (2011)
M.A. Geography	West Chester University (2006)
B.S. Geography	The Pennsylvania State University (2002)

## Employment

2017 – Present	<b>Associate Professor of Geography</b> , Concord University, Athens, West Virginia
2011 – 2017	<b>Assistant Professor of Geography</b> , Concord University, Athens, West Virginia
2008 – 2011	<b>Graduate Research Assistant</b> , Montane Forest Dynamics Lab, Department of Geology & Geography, West Virginia University, Morgantown, West Virginia
2008	<b>Forestry Technician</b> , Eastern Rivers and Mountains Network, Inventory and Monitoring Program, National Park Service
2007 – 2008	<b>Teaching Assistant/Lab Instructor</b> , Department of Geology & Geography, West Virginia University, Morgantown, West Virginia
2007	<b>GIS Specialist (contract)</b> , Delaware Department of Natural Resources & Environmental Control, Division of Fish and Wildlife, Dover, Delaware
2006 – 2007	<b>Wetland Technician</b> , Delaware Department of Natural Resources & Environmental Control, Watershed Assessment Section, Dover, Delaware
2005	<b>GIS Specialist (contract)</b> , Delaware Department of Natural Resources & Environmental Control, Division of Fish and Wildlife, Dover, Delaware
2004 – 2005	<b>Environmental Scientist</b> , Environmental Alliance, Inc., Wilmington, Delaware
2004	<b>Biological Science Technician – Fire-effects Monitor</b> , Ozark National Scenic Riverways, National Park Service, Van Buren, Missouri
2003 – 2004	<b>Environmental Scientist</b> , Environmental Alliance, Inc., Wilmington, Delaware
2001	<b>Research Technician</b> , Vegetation Dynamics Lab, Department of Geography, The Pennsylvania State University, University Park, Pennsylvania

## Teaching

Courses taught at Concord University:

GEOG 101: Human Geography (*Spring 2012*)  
GEOG 200: Physical Geography (*Fall/Spring/Summer 2011 – present*)  
GEOG 255: Mountain Geography (*Spring 2014/2016*)  
GEOG 300: Sustainable Development (*Fall 2011; Spring 2013/2014/2015/2016*)  
GEOG 311: GIS and Cartography (*Fall 2012 – 2018*)  
GEOG 312: Geographic Data Analysis (*Fall 2013/Spring 2017/Spring 2018*)  
GEOG 339: Geography of Soils (*Fall 2013/2015/2017*)  
GEOG 359: Meteorology and Climatology (*Spring 2013/2015/2017/2019*)  
GEOG 379: Biogeography and Environmental Change (*Fall 2012/2014/2016/2018*)  
GEOG 411: GIS Design and Application (*Fall 2011/Spring 2018/Spring 2019*)  
GEOG 412: Advanced Methods in Geospatial Analysis (*Spring 2012/Fall 2017*)  
GEOG 460: Dendrochronology (*Summer 2014*)  
GEOG 460: Environmental Field Geography (*Summer 2013/2015*)  
GEOG 465: Geography Capstone (*Spring 2012/2013/2014*)

Courses taught at West Virginia University:

GEOG 106: Physical Geography Lab (*Spring 2008*)  
GEOG 407: Environmental Field Geography (*Fall 2010*)

## **Paper Presentations**

**Saladyga, T.** Appalachian Coalfields Pyrogeography. Annual Meeting, American Association of Geographers, 3-7 April 2019, Washington, D.C.

**Saladyga, T.,** A. Standlee, and N. Lawrence. Humans, Wildfire, and the (Un)management of Ridgetop Forests in the Pennsylvania Anthracite Region, 1900-2016. Annual Meeting, American Association of Geographers, 10-14 April 2018, New Orleans, Louisiana.

**Saladyga, T.** Reconstructing a Cultural Fire Regime: Implications for Ridgetop Barrens Management in the Pennsylvania Anthracite Region. Annual Meeting, Natural Areas Association, 17-21 October 2016, Davis, California.

**Saladyga, T.** Fire History of a Globally Rare Ridgetop Acidic Barrens Complex. Annual Meeting, American Association of Geographers, 2 April-29 March 2016, San Francisco, California.

**Saladyga, T.** Tree Rings Record Industrial Decline at the New River Gorge, West Virginia. Annual Meeting, Southeastern Division of the Association of American Geographers, 22-24 November 2015, Pensacola, Florida.

**Saladyga, T.** Dead Tree Walking: The Past, Present, and Future of Hemlock Forests in Central Appalachia. 37<sup>th</sup> Annual Appalachian Studies Association Conference, 28-30 March 28 2014, Huntington, West Virginia.

**Saladyga, T.** and R.S. Maxwell. Growth Response of Eastern Hemlock to Rapid Climate Warming in Central Appalachia. Annual Meeting, Southeastern Division of the Association of American Geographers, 24-26 November 2013, Roanoke, Virginia.

**Saladyga, T.** Using Tree Rings to Reconstruct Forest Histories at Pipestem Resort State Park, West Virginia. 16<sup>th</sup> Biennial Conference on Appalachian Geography and Geography Education, 15-16 March 2013, Pipestem Resort, West Virginia.

**Saladyga, T.,** A. Hessel, B. Nachin, and N. Pederson. Will Rising Temperatures, Prolonged Drought and Land Use Intensification Inhibit Wildfire? A Case Study from the Forest-Steppe Ecotone, Mongolia. Mongolian Ecological Research Symposium, 25 February 2012, Jacques Cousteau National Estuarine Research Reserve, Tuckerton, New Jersey.

**Saladyga, T.** and N. Pederson. Tree-Ring Based Drought Reconstruction for the Central Khan Khentii Mountains, Mongolia (1675-2000). Annual Meeting, Southeastern Division of the Association of American Geographers, 20-22 November 2011, Savannah, Georgia.

**Saladyga, T.** and A. Hessler. Fire History at Pike Knob, West Virginia (and Other Unique Locales). Annual Meeting, Central Appalachians Fire Learning Network, 28-30 June 2011, The Mountain Institute at Spruce Knob, West Virginia.

Hessler, A., P. Brown, N. Pederson, B. Nachin, **T. Saladyga\***, and B. Suran. Fire History in Mongolia: Placing Current Change in the Context of the Last 400+ years. Annual Meeting, Association of American Geographers, 14-18 April 2010, Washington, D.C. \*Presenter

Leland, C., N. Pederson, A. Hessler, P. Brown, B. Nachin, **T. Saladyga**, and B. Suran. Fire and Climate Interactions in Northeastern Mongolia. Annual Meeting, Association of Southeastern Biologists, 7-10 April 2010, Asheville, North Carolina.

Hessler, A., P. Brown, S. Maxwell, B. Nachin, N. Pederson, and **T. Saladyga**. Fire, Climate, and Land Use in Mongolia: 400+ Years of Change. Annual Meeting, Association of American Geographers, 22-27 March 2009, Las Vegas, Nevada.

Welch, J. and **T. Saladyga**. Fire in the Woods: Native and Invasive Plant Response. Annual Meeting, Association of American Geographers, 15-19 April 2008, Boston, Massachusetts.

LaForest, L., P. Brown, N. Benzing, R. DeSantis, G. Dillon, W. Flatley, H.D. Grissino-Mayer, C. Lafon, **T. Saladyga**, J. Slayton, L. Svenson, K. Tackett, and N. Toth. Fire History in Old-Growth Pine-Oak Forest Stands Along Gold Mine Trail in the Great Smoky Mountains National Park, Tennessee. Annual Meeting, Association of American Geographers, 15-19 April 2008, Boston, Massachusetts.

Jacobs, A., E. Rehm, and D. Fillis (**T. Saladyga** – GIS support). Delaware's wetland monitoring program: using science to inform protection and restoration efforts. Delaware Estuary Science Conference, 22-24 January 2007, Cape May, New Jersey.

**Saladyga, T.** Native and Invasive Plant Response to Fire: Hardwood Forest of Chester County, Pennsylvania. Annual Meeting, Middle States Division of the Association of American Geographers, 13-14 October 2006, Rutgers University, New Brunswick, New Jersey.

**Saladyga, T.** Invasive Plant Dynamics as Related to Forest Structure and Composition at Hibernia County Park, Chester County, PA. Annual Meeting, Association of American Geographers, 7-11 March 2006, Chicago, Illinois.

**Saladyga, T.** Forests Lost: Invasive Vegetation and Implications for Native Habitat Restoration Through Oak Regeneration. Annual Meeting, Middle States Division of the Association of American Geographers, 14-15 October 2005, Chautauqua, New York.

## **Poster Presentations**

Cline, J.\*, **T. Saladyga**, and J. Vanderhorst. Recent "Rapid" Conversion of an Appalachian Bottomland Oak Swamp. Annual Meeting, American Association of Geographers, 3-7 April 2019, Washington, D.C. \*Student

**Saladyga, T.** and A. Standlee. Historical Drivers and Contemporary Perceptions of Wildfire in a Post-industrial Rural Landscape. Annual Meeting, Southeastern Division of the American Association of Geographers, 18-19 November 2018, Johnson City, Tennessee.

**Saladyga, T.** Humans, Climate, and Wildfire: An Integrated, Quantitative Approach to Describing the 'Fire Regime'. Annual Meeting, Southeastern Division of the Association of American Geographers, 20-22 November 2016, Columbia, South Carolina.

Raso, C. and **T. Saladyga.** Climate Response of Two Central Appalachian Rimrock Yellow Pine Species using a Composite Growth Chronology. Annual Meeting, American Association of Geographers, 2 April-29 March 2016, San Francisco, California.

**Saladyga, T.** Differential Growth Response of Two Conifer Species to Early Spring Temperature. Annual Meeting, Southeastern Division of the Association of American Geographers, 23-25 November 2014, Athens, Georgia.

**Saladyga, T.** Students Monitoring the Decline of Eastern Hemlock (*Tsuga canadensis* L.) in the Bluestone River Gorge, West Virginia. Second American Dendrochronology Conference, 13-17 May 2013, Tucson, Arizona.

**Saladyga, T.** Using Literature to Teach Post-Secondary Introductory Physical Geography. Annual Meeting, National Council for Geographic Education, 4-7 October 2012, San Marcos, Texas.

**Saladyga, T.** and A. Hessler. Fire History along a Human Impact Gradient in the Upper Tuul River Watershed, Mongolia. Annual meeting, American Association for the Advancement of Science, 17-21 February 2011, Washington, D.C.

**Saladyga, T.,** Hessler, A., P. Brown, N. Pederson, B. Nachin, and B. Suran. Fire, and Land Use Interactions in the Upper Tuul River Watershed, Mongolia. Annual Meeting, Association of American Geographers, 14-18 April 2010, Washington, D.C.

**Saladyga, T.,** P. Clark, A. Hessler, and J. Wixom. Anthropogenic Fire and Regeneration of an Isolated Red Pine (*Pinus resinosa*) Stand, Pike Knob, West Virginia. Annual Meeting, Association of American Geographers, 14-18 April 2010, Washington, D.C.

## **Lectures and Workshops**

Invited Speaker – “Appalachian Coalfields Pyrogeography,” Department of Geography Colloquium Series, Marshall University, Huntington, West Virginia (28 November 2018)

Learning Activity – “Forests!” (ages 6-12), Camp Drift-a-Bit, New River Gorge Learning Cooperative, Fayetteville, West Virginia (13 July 2018)

“Athens-PikeView Connector – Proposed Trail Route,” Athens Comprehensive Plan Open House Workshop, Athens, West Virginia (2 May 2018)

Invited Webinar Presentation – “Residual Fire Regimes and Their Value in a Post-suppression Management Era,” Natural Areas Association (29 March 2017) <https://naturalareas.org/webinars/>

Learning Activity – “Dendrochronology” (4<sup>th</sup> grade students), New River Gorge National River, West Virginia (16 September 2016)

Inventory Leader – National Geographic BioBlitz, Harpers Ferry National Historical Park, West Virginia (20-21 May 2016)

Invited Speaker – “Coalfields Pyrogeography: Current and Future Research in Pennsylvania and West Virginia,” Department of Geography Colloquium Series, Virginia Polytechnic Institute and State University, Blacksburg, Virginia (15 April 2016)

Lecturer – Teaching Environmental Processes through Literature Workshop, Concord University, Athens, West Virginia (8-12 July 2013)

West Virginia Geographic Alliance Workshop – “Forest Geography,” Concord University, Athens, West Virginia (10 March 2013)

Invited Speaker – “Land Use Impacts on Wildfire Potential: Evidence from Mongolia and Appalachia,” Department of Geography Colloquium Series, Virginia Polytechnic Institute and State University, Blacksburg, Virginia (19 October 2012)

Learning activity – “What Can Trees Tell Us About the Past?,” Elk Center Elementary School, Charleston, West Virginia (12 October 2012)

Guest Lecturer – “Humans and the Forest Environment,” International Summer Camp, Kangwon National University, Chuncheon, Gangwon-do, Republic of Korea (31 July 2012)

Career Day – PikeView Middle School, Princeton, West Virginia (25 May 2012)

National Geographic Chesapeake Bay Watershed Education Meeting – Annapolis, Maryland (21-22 May 2012)

West Virginia Geographic Alliance Workshop – “Geography of Agriculture,” Mount View High School, Welch, West Virginia (28 April 2012)

West Virginia Geographic Alliance Workshop – “Physical Geography,” Wheeling Park High School, Wheeling, West Virginia (5 November 2011)

Appalachian Fire Learning Network Workshop – The Mountain Institute at Spruce Knob, West Virginia (28-30 June 2011)

North American Dendroecology Fieldweek (NADEF) – Great Smoky Mountains Institute at Tremont, Tennessee (2007)

## **Awards and Grants**

Allie Irene Strasko Research Grant, 2017-2018 (\$4,439), “Ecology and Hydrology of a Rare Bottomland Oak Swamp,” Concord University

Joseph Friedl Award, 2014, presented by the Student Government Association (SGA), Concord University

Chesapeake Bay Science and Geography Initiative, 2012-2014 (\$200,000), National Oceanic and Atmospheric Administration/National Geographic Society

Faculty Summer Research Fellowship, 2013 (\$3,651), Concord University

Exploration and Field Research Grant, 2010 (\$3,000), Explorer’s Club Washington Group, Inc.

Vehse Travel Award, 2009 (\$500), Eberly College of Arts and Sciences, West Virginia University

## **Affiliations and Certifications**

American Association of Geographers (AAG)

Southeastern Division of the American Association of Geographers (SEDAAG)

Tree-Ring Society

Firefighter Type 2 (Courses: I-100, S-130, S-190, and L-180)

## **Professional Service**

National Geographic State Geography Steward (West Virginia; 2018 – 2019)

Core Planning Team Member – Schuylkill County, Pennsylvania Hazard Mitigation Plan 2019 Update (2017 – present)

New River Conservancy, Technical Advisory Committee (2015 – present)

West Virginia State Representative, Southeastern Division of the American Association of Geographers (2013 – 2018)

West Virginia Green Infrastructure Working Group (2011 – 2015)

Manuscript Referee:

*Arctic*  
*Arctic, Antarctic, and Alpine Research*  
*Castanae* [Journal of the Southern Appalachian Botanical Society]  
*Dendrochronologia*  
*Forests*  
*Forestry: An International Journal of Forest Research*  
*Geographical Bulletin*  
*Physical Geography*  
*Quaternary*  
*Sustainability*  
*Trees*  
*Tree-Ring Research*  
*Virginia Journal of Science*

**Service to Concord University**

Chair, Faculty Development Committee (2017 – present)

College of Fine Arts, Humanities, and Social Sciences Personnel Committee (2018 – present)

Faculty Committee on Research (2014 – present)

Chair, Appalachian Studies Committee (2016 – present)

Faculty Search Committee – Psychology (2019); Sociology (2018)

Faculty Development Committee (2014 – 2017)

ADA Sidewalk Committee (2013 – 2014)

Faculty Evaluation Committee – Division of Social Sciences (2012 – 2017)

Website Designer – West Virginia Geographic Alliance (2012 – 2018)

Website Designer – Geography Program (2011 – present)

McNair Scholar Advisor:

Alysan Miller, *class of 2019*  
John Cline, *class of 2019*  
Mary Beth Ryan, *class of 2015*

Reader – West Virginia State National Geographic Bee (2012, 2013, 2014)/West Virginia High School Geography Bowl (2012, 2013, 2016)

## **Graduate Committee Member (\*co-advisor)**

\*Nathan Lawrence, M.S. Geography, Virginia Polytechnic Institute and State University (2019)

Thesis title: *Fire History of an Acidic Barrens Complex: A Methods Assessment of Fire Return Intervals*

Ruth Stetler, M.A. Geography, West Virginia University (2017)

Thesis title: *Radial Growth Patterns in Trees Surviving Canopy Gap Disturbances*

## **Undergraduate Research Advisees**

Taylor Carter, Sophie Klein, Cody Perkins, Michael Ruhnke, and Justin Watkins (class of 2021, 2021, 2021, 2019, and 2020, respectively)

Using GIS to Assess Stream Buffer Quality in Brush Creek Watershed. Undergraduate Research Day, Concord University, 18 April 2019, Athens, West Virginia.

Samuel Stockton, Geography, Concord University (class of 2019)

Eastern Hemlock Climate-Growth Analysis. Undergraduate Research Day, Concord University, 18 April 2019, Athens, West Virginia.

Alysan Miller, Geography, McNair Scholar, Concord University (class of 2019)

Fire History of a Dry Oak-Pine (*Quercus-Pinus*) Forest in Southern West Virginia. Annual Meeting, Southeastern Division of the American Association of Geographers, 18-19 November 2018, Johnson City, Tennessee.

Disturbance, Topography, and the Distribution of Black Locust (*Robinia psuedoacacia* L.). Undergraduate Research Day, Concord University, 17 April 2017, Athens, West Virginia.

John Cline, Geography, McNair Scholar, Concord University (class of 2019)

Climate-Growth Analysis of Pin Oak and Red Maple in a Central Appalachian Bottomland Oak Forest. Annual Meeting, Southeastern Division of the American Association of Geographers, 18-19 November 2018, Johnson City, Tennessee.

Hydroclimatic Controls on the Growth of Bottomland Pin Oak (*Quercus palustris*). Annual Meeting, American Association of Geographers, 10-14 April 2018, New Orleans, Louisiana.

Brahim Laahar, Geography, Concord University (class of 2018)

Interacting Drivers of Tree Mortality in a Rare Bottomland Oak Swamp. Annual Meeting, American Association of Geographers, 10-14 April 2018, New Orleans, Louisiana.

Brad Gibson, Geography, Concord University (class of 2017)

The Spatial Distribution of Norway Maple (*Acer platanoides* L.) at Concord University. Undergraduate Research Day, Concord University, 17 April 2017, Athens, West Virginia.

Samantha Richards, Geography, Concord University (class of 2016)

Qualitative Assessment of Palustrine Wetlands in Mercer County, West Virginia. Undergraduate Research Day, Concord University, 14 April 2016, Athens, West Virginia.

Caitlin Testerman, Geography, Concord University (class of 2016)

Bird Species Composition in a Ridgetop Dwarf-Tree Forest. Undergraduate poster competition (1<sup>st</sup> Place), Annual Meeting, Southeastern Division of the Association of American Geographers, 22-24 November 2015, Pensacola, Florida.

Chance Raso and Terry Hatfield, Geography, Concord University (class of 2015)

Growth Chronology Development for Pitch Pine at Babcock State Park, West Virginia. Undergraduate Research Day, Concord University, 16 April 2015, Athens, West Virginia.

Mary Beth Ryan, Geography, McNair Scholar, Concord University (class of 2015)

Hemlock Establishment and Vigor in Twin Falls Resort State Park, West Virginia. Undergraduate poster competition, Annual Meeting, Southeastern Division of the Association of American Geographers, 24-26 November 2013, Roanoke, Virginia.

Nathan Lawrence, Geography, Concord University (class of 2014)

Climate-Growth Analysis of Northern Red Oak on a Southern West Virginia Ridgeline. Undergraduate poster competition (1<sup>st</sup> Place), Annual Meeting, Southeastern Division of the Association of American Geographers, 23-25 November 2014, Athens, Georgia.

Disturbance and Growth Dynamics in a Hemlock-Hardwood Forest on the Central Appalachian Plateau. Undergraduate poster competition, Annual Meeting, Southeastern Division of the Association of American Geographers, 24-26 November 2013, Roanoke, Virginia.

Joshua Gelinas, Geography, Concord University (class of 2014)

Climate Effects on the Growth of Eastern Hemlock in Cabwaylingo State Forest, West Virginia. Undergraduate poster competition, Annual Meeting, Southeastern Division of the Association of American Geographers, 24-26 November 2013, Roanoke, Virginia.

Wendy Pace, Craig Pritt, and Meredith Smith (class of 2013, 2013, and 2014, respectively)

Age Structure Analysis of Eastern Hemlock at Pipestem State Park, West Virginia. Undergraduate Research Day at the Capitol, 28 February 2013, Charleston, West Virginia.
