CUSTOM Printing

We believe custom printed graphics on any of our fine products are a reflection of your company's image. Our creative in-house design department, with the utilization of the latest in printing equipment, assures that your image will never be taken for granted.

- We offer dry offset printing on all sizes. Six color printing on 8oz. to 167oz. containers and four color printing on industrial pails.
- We offer heat transfer labels for 3.5, 4.25, 5 and 6 gallon pails.
- All of the containers are made from a virgin FDA approved resin except Econo-Blend containers which are made from regrind material and are not food grade.

Thank you for taken interest in our product. All sales are subject to Encore Plastics Terms and Conditions of Sale. We reserve the right to alter or modify any product specifications.
