

# Greg Silence

General Manager, AssureCare

With more than 25 years in the Health Information Technology field, Greg Silence has witnessed the evolution of the industry. He leverages that experience today in providing overall strategic direction for AssureCare marketing, R&D, and business development initiatives.

Greg's passion is to help position AssureCare at the forefront of transforming Health Management performance for organizations throughout the United States. Throughout his career, Greg has been a presenter nationally at industry trade shows, conferences and seminars. Greg is a member of the IEEE and ACM.

Greg holds degrees in Biology, Microbiology and Computer Science from Indiana University
