Appointments

Appointments are to be made by texting 226-702-0074. Please allow 24 hours respond time.

We understand that rescheduling and cancelations are inevitable, however please note if you cancel 2x or more with less than 24 hours notice given, we can no longer accept you as a client.

Full Set - \$75

Introductory price subject to change January 1 2018.

We currently schedule two hours for a full set. Please come with no makeup on, your lashes cleansed and dry. We advise bringing headphones and music, podcasts, etc to listen to while you are being lashed. We accept cash, credit (5% charge), or e-transfer on site before you exit. We use pro product and tools, as well as proper application techniques to give you the best set possible and not damage your natural lash.

Fills - \$45 — 55

You must have 40% of your set left for your appointment to be considered a “fill”. Anything less than 40% left will be charged a Full Set.

We do not schedule fills based on weeks, but on personal retention. Individual retention varies from client to client, due a variety of factors (aftercare, natural oils, products, picking, environment, occupation etc).

We will ask for a current photo of your lash when you book to determine your fill price.
