Appointments

Appointments are to be made by texting 226-702-0074 or visiting the Schedulicity link on our Website under the Lash Tab. Please allow 24 hours respond time.

We understand that rescheduling and cancelations are inevitable, however please note if you cancel 2x or more with less than 24 hours notice given, we can no longer accept you as a client.

Full Set - \$100

We currently schedule two hours for a full set. Please come with no makeup on, your lashes cleansed and dry. We advise bringing headphones and music, podcasts, etc to listen to while you are being lashed. We accept cash, credit (5% charge), or e-transfer on site before you exit. We use pro product and tools, as well as proper application techniques to give you the best set possible and not damage your natural lash.

Fills - \$40-55

We schedule fills based on weeks/time spent on filling your lashes. Prices are non-negotiable. We recommend pre-booking using our provider Schedulicity; if we are unable to accommodate you due to scheduling, this could result in waiting three weeks instead of two for a fill, and you would be charged for the appropriate fill price. Pre-booking your appointments eliminates the chance of you having to 1). wait longer for your fill, and 2.) pay more than you'd like.
