KIDZ CORNER

Happy New Year from the Children and Youth Department,

I want to thank all the parents and Children that participated in the Christmas program on December 20, 2015.

The Kids showed their skills on the bucket drums, and some did recitations while the older kids performed a play

VISION MONTH

Children & Youth

We saw some familiar superhero's, Wonder Women (Eva Frazier), Super Girl (Dynasty Willis), Spider Man (Kenric Anderson), Hulk (Maurice Williams), Batman (Elijah Frazier), Cat Women (Breonna Gabriel), Mary (Myla Williams), Joseph (Noah Frazier), Shepherd (Nyshawn Evans), Shepherd (Nehemiah Evans), Voice (Ryen Lamar). We all learned that even with all their super powers combined they could not save us. It took a baby "Jesus" coming into this world to save us from sin.

BAKING WITH Ms. BETTY

December 20, 2015 @ 3PM. The Children and Youth helped Ms. Betty decorate cookies that were consumed during the Christmas Dinner. Over 15 kids enjoyed this annual cookie baking tradition.

Christmas Day Dinner

Matthew 25:35 "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in"

This scripture exemplifies what providing a hot meal on Christmas Day is all about. Showing the love of Christ to all those in need. Ms. Betty would like

to thank all those who came out to help and make this ministry special. Hats off to Steve Cole for securing and driving the bus for pickup. We were all truly blessed.

Health & Wellness

The Health and Wellness awareness ribbon for January is Teal.

By wearing this ribbon, it shows that we are bringing awareness to Cervical cancer in young girls.

Cervical cancer can often be found early and sometimes can be prevented by having regular Pap tests.

If detected early, cervical cancer is one of the most successfully treatable cancers.

Some schools now require young girls to have a vaccine called Gardasil, but with the controversy surrounding this, it is up to the parent to decide to make that choice.

As a result of cervical cancer treatment and the vaccine, some children may have certain birth defects.

Submitted by the Health & Wellness Team.

United Methodist Women Christmas Party

Saturday, December 19, 2015 at 2PM the United Methodist Women sponsored their annual Christmas Party. Sis. Gloria Campbell was the MC for the afternoon. We started off with some trivia questions, followed by a few questions to get the group familiar with our tablemates (What was your favorite Christmas gift and what was your least favorite Christmas gift.)

We then played a few games of Minute to Win It, the Candy Cane Pick up and the Marshmallow toss.

We enjoyed refreshments, fellowship and Christmas music. Finally ending with Christmas Carols and the annual reenactment of the "12 Days of Christmas" featuring our famous/infamous Lords of Leaping.
