

EasyBedding™ Pellets provide the healthiest and cleanest environment for your equine. Use alone or as a supplement to your existing bedding.

EasyBedding™ Pellets' revolutionary absorptivity and long-lasting pine odor control greatly reduce consumption and disposal, making it the easiest, cost-effective alternative to shavings and straw. In fact, 40 lbs of EasyBedding™ Pellets can absorb up to 13 gal of fluid, substantially reducing ammonia and keeping hooves dry.

*40 lbs of pellets*

*60 lbs of shavings*

*equals*

EasyBedding™ Pellets are proudly made in Virginia from responsibly-sourced by-products of the forest industry. No new trees are destroyed in the making of this 100% renewable product.

Very little dust  
No chemicals, synthetic perfumes or dyes
