## Zero Tolerance Bullying Policy

In the event that an incident that is considered bullying occurs within a classroom at ICB, the student, the student’s parent, the teacher of the class where the incident occurred, and the director of the Illinois Classical Ballet will have a meeting to address the incident and help the students change their behavior.

If the negative behavior continues, the student will be SUSPENDED from ICB the duration of the season.

This is possible at any time throughout the year, from the first day of class to a week before a performance, and during the YAGP season as well.

Nothing is more important than the safety and happiness of your children at ICB, which is why these precautions are being made

I \_\_\_\_\_ (Print student’s name), pledge to stand up against bullying and keep it out of the classroom starting with me. I will report to an adult, parent, or staff member at ICB if I witness any act of bullying. I will not participate in physical, verbal, emotional, or cyber bullying with my fellow dancers at Illinois Classical Ballet.

I understand that failure to do so will lead to suspension from ICB for the entire season
