April 10, 2018

To Whom It May Concern:

The Boy's Golf Team at Gilbert High School is holding a fundraising tournament (Tiger Classic Golf Tournament) on Saturday May 12, 2018 at Western Skies Golf Club. The purpose of the tournament is to help offset some of the costs of next season. We are currently looking for items or services that can be donated from your business for use as prizes and a supplemental raffle to help raise more funds for our team's Fall 2018 Season, where we hope to again qualify for the Arizona State Championship Tournament and improve on our 11th place finish in 2017. With everyone from last year's team returning, our goal is a State Championship! For your donation your business will receive mention in the program for the tournament that day as well as the lunch after the tournament. If your business can help out with any donation for our program we will be very grateful. If you have any specific questions about our team or the event you may contact me at joseph.fraher@gilbertschools.net. Any and all contributions are greatly appreciated.

Sincerely,

Joseph Fraher
