POM: Sarah Widdows (TB5)

POM: Lucy Farrell (Razzlers)

Both teams took to a while to settle into the first quarter with a particularly unsettled start for Razzlers however they managed to finish the first quarter ahead by one. T'Birds worked the Razzlers attack hard with some great interceptions from their GK.

Both teams came back into the second quarter more settled. T'birds showed great play down the court working it well from their defence to attack and with superb holding from T'Birds GS they managed to keep Razzlers on their toes, although they fought hard to keep their lead. Both the Razzlers GA and GS had some great shots with the score at half time being 13-12 to Razzlers.

The battle continued into the third quarter with the score staying close. T'Birds were still feeding the ball well into the D with their shooting becoming more precise. Razzlers GK and GD continued working hard, with some fantastic rebounds from Razzlers GK ensuring that Razzlers had the chance to keep their one goal lead. Razzlers attack took every opportunity to work the ball up the court and into the D with on point shooting and rebounds from Razzlers, even with the continuing pressure from T'birds defence. Third quarter ended 21-20 Razzlers.

Both teams put all their effort in for the last quarter, the passing between the T'birds attack was smooth ensuring that the shooters had every opportunity, which they took to keep the pressure on Razzlers. Razzlers carried on with their defence and good efforts in working the ball up the court. Razzlers C made some great drives to get into space to receive the ball and feed into the D. Razzlers GS and GA kept working round the D to get in position to shoot and go for the rebounds.

T'Birds kept working hard until the final minute of the game to finish the game with a draw, final score 27-27.

Player of the match to T'Birds Sarah Widdows who ensured a smooth transition from the defensive end to their attacking end, never stopping moving and working hard and Razzlers Lucy Farrell who constantly kept working for the best shooting position and getting the rebounds.

Thunderbirds 5 Vs iSwim Theale

12/12/2018

POM: Karisha Browne (TB5)

POM: Katie Potts (iSwim Theale)

On a bitterly cold night, the game started off very evenly with both teams converting on their first centre passes. There weren't a lot of errors, however at the end of the first quarter I swim theale had just edged in front at 6-4. Theale were utilising the height in the circle at their shooting end and making some very accurate feeds to their GS, Gemma Goodall. With a shorter shooting duo of Maryam Asghar (gs) and Jane hodgetts (ga), thunderbirds were forced to work the ball in patiently but with some great long shots, they kept just behind theale at 12-8 at the end of the first half.

Thunderbirds switched up their wings in the second half with Rachell Mason moving to WA and Julie Kinsella to WD. This helped them to drive forward and feed in a little easier with the help of their C, Sarah Widdows. The Thunderbirds defence changed their tactics to double up on theale's goal shooter, but theale were patient with moving through court and used their opportunities well. Despite the best efforts of Rachel Vaughan (gk) and Karisha Browne (gd) theale were just able to convert a few more goals.

Final Score: Thunderbirds 5 26 - iSwim Theale 17

Thunderbirds 2 Vs Thunderbirds 5

14/11/2018

POM: Philippa Legg (TB2)

POM: Rachel Vaughan (TB5)

This fixture had the two Division 2 Thunderbirds teams playing each other on this cold dry evening – Thunderbirds 2 (TB2) and Thunderbirds 5 (TB5). TB2 were the away team and wore blue overhead bibs, which helped both players and umpires tell the teams apart. TB2 won the first centre pass, although the ball went end to end a couple of times before the first goal was scored. TB2 turned over TB5's first centre pass and took an early 3 goal lead. TB5 players rallied and soon put some goals on the scorecard. TB2's Jane Hodgetts (GA) scored some amazing goals from the edge of the circle. The 1st quarter ended with TB2 leading 8 goals to 5 goals (TB5).

TB5 came out in full force in the 2nd quarter and put pressure on TB2 attack resulting in TB2 only scoring 2 goals. Rachel Vaughan (GK) made some great defensive interceptions and TB5 took advantage of the turnovers. TB5 scored 11 goals this quarter with some quick passing and accurate shooting from Maryam Asghar (GS) and Rachel Mason (GA). Q2 ended with TB5 overtaking TB2 to gain a 6 goal lead - 16 goals (TB5) to 10 goals (TB2).

The 3rd quarter saw TB2 change player positions with Charity Mlambo (GD to WD) and Ellie Mears (WD to GD) switching in defence and Jenny Obin (GS to GA) and Jane Hodgetts (GA to GS) switching in the circle. This defensive change proved successful in preventing TB5 going further ahead. Emotions became strained in Q3 as players pressured their opponents for possession of the ball and court positions. TB2 managed to close the gap by 2 goals but

Unfortunately not enough to prevent TB5 still leading by 4 goals at end of Q3 -19 goals (TB5) vs 15 goals (TB2).

As the mist rolled in on 4th quarter there was strong centre court play and accurate passing from both TB2 and TB5 which saw the ball move quickly down court to their respective shooters. TB2 kept the pressure on TB5, but could only close the gap by a further 1 goal. TB5 won the game 3 goals ahead at 25 goals (TB5) to 22 goals (TB2). A strong performance by all players in this Thunderbirds fixture.

Final Score: Thunderbirds 2 22- Thunderbirds 5 25

POM: Abi Collins (TB5)

POM: Emily Hutchinson (Mortimer)

The game started with Mortimer taking the first centre pass and converting it into a goal. Both teams were fighting hard for the ball but within the first few minutes Mortimer took the lead and were up 3 goals. It took a little while for thunderbirds to settle in and link their play but once they were warmed up, they ended winning the quarter 7-5 this was a great defensive quarter from GK R Vaughan and GD K Browne (both Thunderbirds).

The second quarter Mortimer Sapphires came out fighting. Both teams were converting their centre passes and working very hard to turnover the other teams centres. The ball was constantly up and down the court with every player on the court working hard and applying pressure on their opposition. The second quarter ended 13-13.

The third quarter was intense, every player could feel it as the game was so close that every pass mattered and every goal could make a difference to the final result. Sapphires took the lead this quarter with some great shooting from the GA E Hutchinson and the GS E Butler (both Sapphires) and ended up finishing this quarter with a lead of 23-20.

The final quarter started with a thunderbirds centre and them successfully converting it to a goal. They went onto continue to turnover the next sapphires centre pass and again scored from their centre pass. It was neck and neck again. Everything to fight for from both teams. You could see the determination on all team members faces. It was a game that both teams wanted to win. Thunderbirds took a slight lead with 2 goals and then sapphires caught up. Just before the final whistle GS M Asghar (thunderbirds 5) got a goal in and it was the winning goal with the very close game finally coming to an end.
