Laurel Park Cyclones Vs Williams Home Heat

24/10/2018

POM: Hannah Scott (Laurel Park Cyclones)

POM: Megan Johnson (WHH)

It's was a slow start for both teams, Cyclones unbeaten in their 2 games so far this season - and Williams Home Heat who were playing their 4th game with a borrowed player from Headcase.

First quarter saw just 4 centre's being taken. Both C's B Mackenzie and Cyclones L Castle were covering the court tirelessly while the teams tried to settle, it ended with just 1 goal between the teams at the whistle.

Second quarter saw a couple of changes for Williams and a few more goals. Williams shooters managed to convert more of their shots to score 3 but the Cyclones and their tight defensive unit of K Mulvarey and E Corrigan Brown got the rebounds and along with WD H Scott got the ball swiftly up to their shooters who converted them perfectly helping them pull away by 8 goals.

Third quarter was much more exciting and evenly matched, Williams shooters I North and M Johnson got their eye in and with good feeds coming in from their C and WA E. Didier'Serre they upped their number of goals scored in the quarter to 5. But Cyclones were working just as hard to try and pull away putting their training into practise as GA Z Plummer accurately received the centre pass and swiftly got the balls into the circle to score. Williams closed the gap with good defensive work from their WD E O'Sullivan and more shots on target to get within half at the close of the quarter with the score 18-9.

The final quarter saw even more goals but most for cyclones. Despite some early good turnovers from GK A Prior-Williams and GD A Hutson there was little that could be done to stop cyclones GS A Ferrin who continued to hold her space perfectly maintaining her accurate shooting and with the well timed feeds in from her C and WA K Courtnadge they got a well earned win 27-12

In the first quarter Williams took an early lead through their shooters precision by scoring 8 goals opposed to the Juniors 2.

The second quarter followed a similar path as the score rose to 13-4, Williams maintained a strong lead through their use of spacing and accurate feeding by C, also good interceptions from all defence.

In the third quarter the score became 23-9, making the goal difference even larger despite the Juniors best efforts and hard work. The defence from the Juniors worked particularly hard and tightly marked their players.

In the final quarter Williams secured the win. Well done to both teams for the excellent play.

The first Wednesday game back and both Thunderbirds 4 and Williams Home Heat were eager to start the season with a win. There was some lovely play in the first quarter as both teams got into their rhythm with some fantastic interceptions from both WD's, Humphries and Colangelo in the centre third. We also saw some beautiful play from both C's Hewison and Beth. The first quarter ended with Williams Home Heat just leading 5 to 4.

As the sun begun to set, the second quarter saw some lovely play at the Williams Home Heat end of the court. Some great feeds from WA Sibley borrowed from Bowmore Asset Magnet and GA Johnson into the GS Ellie who made some exquisite shots. There were some equally lovely feeds into the D at the opposite end of the court, with Thunderbirds 4's Centre, Hewison, and WA Ellison, making some beautiful passes into the GA and GS. Thunderbirds started to pull away, with the score ending 13 to 8.

The third quarter saw a Thunderbirds substitution at WD with Frost coming onto the court. With fantastic defence and pressure from Thunderbirds' GK Bray and GD Browne, Thunderbirds raced ahead, turning over many of the centres and winning the quarter 25 to 12. Thunderbirds' shooters GS Willows and GA Jupp didn't miss a shot!

Still fighting for every ball into the final quarter, Williams Home Heat were eager to snatch back the win. Williams Home Heat's Prior-Williams made some fantastic interceptions in the D, which saw Williams Home Heat win the quarter.

A lovely game to start the season.
