24/10/2018

POM: Sharon Deller (Headcase)

POM: Emily Hutchinson (Mortimer Rubies)

The first quarter saw Mortimer Rubies steam ahead to a 7-2 lead, with Headcase struggling due to starting with 6 players, the hard defence work from (M)Stephanie Kape & D West kept the Headcase shooters from scoring.

The 2nd quarter saw Headcase reduce the score by reading & initiating some good interceptions and bringing the score to 11-6, (4-4 2nd qtr.). At the break Headcase re positioned some of their players which brought a better flow of play in the centre court, with accurate and stable play, giving Headcase a stronger quarter.

As always with the 3rd quarter Headcase always dip their performance, although defenders Becky Cook (H) & Leigh Facey (H) provided some great blocking & interceptions.

Mortimers GA Emily Hutchinson worked tirelessly to bring the ball accurately with speed, into their shooting circle, and scoring with ease, 18-8 (7-2 qtr. 3).

The last quarter saw Headcase move some players around again, moving Becky Cook from defence to GA, and adding some on point shooting, but wasn't quite enough, Headcase worked hard till the end, the final score ended 23-12 (5-4 last qtr.)

Bowmore v Headcase

26/09/2018

POM: Anne Clark (Bowmore)

POM: E Sibley (Headcase)

The first quarter got off to a friendly yet competitive start with some fantastic defending at both ends. This was reflected in the low scoring quarter, with Headcase sinking 4 and Bowmore (due to an incredible lean from GK) not sinking any.

The competitive yet positive vibe continued this quarter, with some brilliant passing down the court. Bowmore C made a fantastically impressive interception as the whistle went. The defending proved themselves again this quarter with low scoring: Bowmore 3 – Headcase 8.

A dynamic switch up in Bowmore's defence lead to some longer leavers matching the height at the other end. GK (Headcase) used her lean impressively well but GS & GA (Bowmore) began using their angles and movement well. There was little play for either team in centre court, but lots of lovely play down the court from both sides, using their triangles effectively. Bowmore 6 - Headcase 15

The last quarter was still energetic and focussed with some wonderful shooting from Bowmore despite the best lean in the league from H GK! A well played and enjoyable game had by all.

Final Score: Bowmore 9 – Headcase 18
