Volume Vs RG7 Black

26/1/2019

POM: Laura Callaways (RG7 Black)

POM: Katie Antcliffe (Volume)

Volume welcomed back their GS Emma Poole for her first game since having a baby and got off to a flying start scoring the first 4 goals. RG responded with some fast on court play especially from C Suzie Maroof who pushed the ball to the circle allowing their shooters to find their feet and convert their chances. RG took advantage of some passing errors from Volume and took control with the quarter ending 9 goals to 8 in their favour

Volume started to settle at the beginning of Q2, taking time with their passing and keeping possession. RG kept up the pace throughout Q2 with some great space and feeding from WA Laura Milne to their borrowed GA. Lots of shooter to shooter passing from Volume allowed them to get closer to the post managing to score 13 to RGs 6 and the quarter ended 21-15 to Volume

Volume came out fighting in Q3 determined to increase the gap. Their defence really put on the pressure and some fantastic interceptions from player of the match GK Katie Antcliffe allowed them to turn a few centres and keep RGs goals to a minimum scoring 15 to RGs 4. Q3 ended 36-19 to Volume

An even final quarter with RG continuing to fight scoring 15 to Volumes 16. Player of the match GD/GK Laura Callaways tight marking might made it difficult for Volume to pass into the circle and she capitalised on some missed shots sending the ball back up court. RGs GS Morag Bell scored a number of fantastic long range shots but it wasn't enough to make up the gap from Q3. An enjoyable and friendly game ending with a volume win 52-34

Final Score: Volume 52 – RG7 Black 34

RG7 Black Vs Business Moves

12/1/2019

POM: Sandra Fulford (Business Moves)

POM: Leanne Hammond (RG7 Black)

RG7 Black got off to a steady start and settled in the first quarter quicker than business moves, who had borrowed two players for this first match back after the Christmas break. It remained a closely fought 15 minutes though with RG7 taking the narrow lead of 10-7 at the end of the first quarter, with some excellent shooting by Hammond (GA) and Wilkinson (GS) and defending at both ends of the court. This set the tone for what planned out to be a close encounter between the two sides.

Business Moves upped their tempo in the second quarter and had a steady flow of goals with both shooters finding the target and some clean interceptions by their GK, Sandra Fulford, who made it difficult for RG7 to feed the ball in and claiming any rebounds. The half time score stood at 19-17 to them, taking over the lead.

The third and fourth quarters continued to be just as close and well fought, with Business Moves stretching their lead to six at one point, but RG7 not giving up and bringing it back to a draw with some great team spirit and determination. Some lovely netball and continued effort by every player on both teams until the end meant there was a tense final few minutes, which saw Business Moves score a final goal to win the match 41-40.

A friendly and close fought match throughout, with Players of the match going to GA Leanne Hammond for RG7 Black and GK Sandra Fulford for Business Moves.

Final Score: RG7 Black 40 – Business Moves 41

Tadley Vs RG7 Black

8/12/2018

POM: Jess Alexander (Tadley)

POM: L Callaway (RG7 Black)

Tadley started off the game with some quick passes between the attack and some great talking from Lee Heaver at GK. RG7 responded quickly with tight defence from (WD) J Hodgson, marking around the circle. Windy conditions made shooting a little trickier but all shooters in both teams were on their toes ready for rebounds. The quarter ended RG7 19 - Tadley 22.

Q2: RG7 GD L Hunt watched the game well and picked up loose balls as well as putting pressure on the Tadley shooters in the circle. Great movement from RG7 (GA) A Palmer meant that ground was gained in the circle and RG7 started to pull ahead. Interceptions from Tadley GD Nicki Archer and WD Lauren Veitch, as well as their support up the court aided Tadley to pull the score back and went ahead by one. Interceptions from GA Lou Leach and good shooting from GS Rachel Cross meant that Tadley's lead was kept. RG7 tried to use some of Tadley's errors to their advantage with RG7 WA L Hammond picking up on loose balls. Quarter ended RG7 19- Tadley 22.

Q3 Tadley started determined with a 2 goal lead. But RG7 also come out fighting.

It took a while for Tadley to score due to great defence from RG7 and their goals being successful. But once they did it was goal for goal.

Great nail biter throughout and but Tadley although late with the wind up found their flow and took the lead to 32-26. RG7 continue to fight for every ball with their defence getting great rebounds.

Q4 again took Tadley a while to get back into the flow with RG7 turning over 3 centre passes, however once Tadley warmed up they then started to pull it back turning over the conceded 3 at the start.

Both teams continued to fight for the ball with numerous interceptions and turnovers from both sides meant it was anyone's game still.

An amazingly tense final 3 minutes where RG7 came back and ended up matching goal for goal with a well deserved 39-39

Final Score: Tadley 39 – RG7 Black 39

3/11/2018

POM: Donna Hancock (TRBL)

POM: Laura Callaway (RG Blacks)

On a sunny November morning, RG7 Black unfortunately started two goals down due to the late arrival of their umpire. They then struggled to settle in the first quarter, only scoring two goals.

Tilehurst, on the other hand, got off to a flying start and maximised some of RG7's mistakes, dominating the first quarter with some good feeds into the circle and some accurate shooting from GS Lorraine Hancock and GA Natalie Tucker to lead 19-2 at the break.

The second quarter was a more even 15 minutes with RG7 bringing on a new WA, Carla Humphries, and their previous WA, Charlotte Ellis, moving to GA. They fought hard to keep up with up with Tilehurst's quick pace and fluid play to only trail in this quarter by 3 goals (12-9), after making some good interceptions and more accurate passing to keep the pressure on. This left the score at half time as 31-11.

Both teams made some changes at half time. Tilehurst stepped up another gear in the third and fourth quarters with some excellent interceptions by Sophie Lightowers and Donna Hancock (Tilehurst POM) and their new shooting pair of Nikki Coleman and Natalie Tucker worked exceptionally well together. Despite the continued effort and positivity by all of the RG7 players and the defenders of Laura Hunt and Laura Callaway (RG7 POM) making some good tips, they struggled to make any significant impact on the score. Tilehurst were too strong for their opponents and sealed a comfortable win with the final score standing at 69-22.
