### Storm Vs RG7 Purple

16/2/2019

POM: Joe Starling (RG7 Purple)

POM: Lucy Moores (Storm)

In summary, it was a clean and exciting game between Storm and RG7 purple that was an enjoyable game to both play and watch.

Storm was the strongest team in the first quarter shown by a 4-goal lead. They hit the ground running with a strong centre game with fantastic feeds into the scoring circle. They converted all their goals with terrific long shots from Storm's GA Symondson.

The second quarter saw RG7 coming back fighting to even the score. They brought a different stratagem in their defence to mark the strong players and towards the tall Storm GS Taylor in the shooting circle that mixed up the game for Storm.

Storm GA Symondson slipped and fell in the third quarter and was off court to bandage up for 3 of the goals – with 1 of the goals scored by Storm. RG7 attack was very strong, converting the majority of their goals using creative ways to free up in the circle. Storm struggled to bring the ball up into the attack circle that saw RG7 leading by 9 points by the end of this quarter.

The fourth quarter cemented RG7 win showing great play from all players. Storm picked up their game from the previous quarter with amazing interceptions from their defence, but unfortunately, could not close the gap seeing RG7 win by 13 points.

**Final Score: Storm 48 - RG7 Purple 61**

### Yateley Vs Storm

02/11/2018

POM: Hannah Johnson (Yateley)

POM: Minny Symondson (Storm)

Due to traffic and injury Yateley had to take to court with only 6 players. Despite being a player down their GS Sophie Georgiou helped get the ball around their goal third to make sure they scored. Fantastic shooting and rebounds from both Sophie and GA Kerry Gomme rarely missing. Storm used the advantage with some equally great shooting from GA Minny Symondson ending the quarter 11-5 to Storm.

Storm started this quarter positively using their unmarked player WD Faye Willcocks to pick up loose balls and intercept down court. Halfway through Yateleys 7th player arrived and Yateley soon picked up momentum winning the quarter. The quarter finished 17-13.

Yateley moved players round and back to their rightful position, however this was storms best quarter. GK Katie Allen and GD Janice Low worked extremely hard in the circle to stop Yateley scoring and jumping for the rebounds. GD Emma Bunyan worked equally as hard at the other end of the court stopping the storm shooters getting near the post forcing the balls in and having to reset the play. Storm won the quarter and the score ended 29-19 to Storm.

Storm struggled in this quarter, but despite the team being tired C Lorraine Cleaver kept momentum going for Storm. Yateleys C Hannah Johnson and WD Phoebe Meeres were intercepting down court and continuing to get the ball down court quickly and efficiently. During the last few minutes, Yateley went ahead and storm worked relentlessly to get the ball back. Despite a final push from both sides, Storm managed to come together and use the umpires calls to gain their first win of the season in Div 2.

**Final Score: Yateley 33 - Storm 36**

### Panthers Vs Storm

15/09/2018

POM: Kate Yip (Panthers)

POM: Sasha Billings (Storm)

First game of the season saw Panthers take on newly promoted Storm. Panthers were quick out of the blocks converting their centres and turning over a couple of Storms to put a couple of quick goals on the scoreboard. Storm soon settled and started to find their GS Sandra Gibson and thought back to finish the first quarter 12 goals to 7.

The second quarter was very even with Storms GD and player of the match Sasha Billings and Panthers GD and player of the match Kate Yip both making key interceptions. Storms Centre Lorraine Cleaver and WD Fay Willcock and Panthers Centre Amanda Stevens and WD Vicki Shopland made use of these turn overs seamlessly bring the ball out of defence into attack.

The third Quarter saw Panthers centre court switch about with Carmelle Bell coming in as centre, giving Amanda Stevens a much needed rest. This burst of energy saw Panthers dominate the third quarter, with Panthers GA Nikki Barrie and GS Di Williams hardly missing a goal.

Storm never gave up with GK Katie Allen getting the measure of Panthers attacking circle, and Storms producing some awesome shooting. They were unfortunately unable to catch the lead Panthers had gained throughout the game, but secured a point scoring half panthers score.

**Final Score: Panthers 51 - Storm 27**
