

MATCH REPORT

Posha Vs LP Whirlwind

26/1/2019

POM: Beth Mackenzie (Posha)

POM: Rachel Stout (LP Whirlwind)

After a chilly start, both teams were strong out of the starting blocks. There were some valiant efforts from Posha's new GD which resulted in a quick turnover from Posha. After everyone began to warm up both teams scored off their respective centres from then on but Posha ended the first quarter in the lead 10-9.

After a much needed short break, a team talk and some tactical changes, Posha had a super quarter. Unfortunately, LP played with an attacker missing due to a jewellery mishap but this allowed Beth Mackenzie, a new recruit for Posha, to successfully connect the mid court, allowing Posha to pull further ahead. Posha's shooters showed some fantastic play as they were being heavily marked by LP's tight defence. Posha won the second quarter 22-15.

LP's attack warmed up, using their WD and GD effectively to move the ball down into their shooting third. There was some strong feeds into LP's D and some equally impressive movement around the circle from Rachel Stout which helped LP steal the lead from Posha closing the quarter 32-30.

A fiery 4th quarter had both teams playing strong to try and take home the win! In the end LP's defence were extremely effective at keeping the Posha shooters away from the D whilst their attack managed to skilfully carry the ball to their shooters. Posha's play became frantic resulting in a final quarter defeat.

The tightly contested match ended with LP Whirlwind winning 43-40. Excellent play and commitment from all.

Final Score: Posha 40 – LP Whirlwind 43

MATCH REPORT

Reading Juniors Vs Posha

12/1/2019

POM: (Posha)

POM: (Reading Juniors)

It was the first match back after Christmas, so both teams were a bit out of practice. However, this didn't stop Reading Juniors from stealing the lead in the first couple minutes. Posha started catching up scoring a few goals in the end of the first quarter, which ended with the score of 9-11, Reading Juniors leading.

Their lead was stolen near the beginning of the second quarter with some quick, accurate shooting from Posha's shooters. Reading Juniors fought to keep the scores as close together as possible, however the sharpness of Posha's centre court players, Alice Mills (Centre) especially, made it difficult for the ball to reach Reading Juniors attacking third.

This quarter ended with 22-18.

Posha returned to the second half of the match with an extra boost of energy, allowing them to score fifteen goals in the third quarter alone. This was Reading Juniors weakest quarter, with only six goals in total. The score at the end of this quarter was 37-24.

Reading Juniors changed around some of their positions for the last quarter, which worked out very well for them. They had a strong final push, managing at least five consecutive goals, closing the gap between the teams slightly. Rose Mould (Reading Juniors) in particular made some amazing interceptions. Posha won the match with the score of 46-36.

However both teams left the courts with feelings of pride and achievement.

Final Score: Reading Juniors 36 – Posha 46

MATCH REPORT

Posha Vs Nettlebed Stingers

24/11/2018

POM: Chanti Stubbs (Nettlebed Stingers)

POM: Emma Desbois (Posha)

After a delayed start Posh and Nettlebed Stingers took to the court despite the weather. Posh and Stingers started off well both scoring off their respective centres. Stingers pulled into the lead with some impressive balls in to their goal shooter meaning they pulled into the lead to finish the first quarter.

Posha's play began frantic and many of the feeds into their shooting D did not stick resulting in turnovers which Stingers capitalised on. Posh tried to slow the passing down and coupled with good movement from the shooters meant Posh started to pull back some points.

After half time Stingers moved positions. It took Posh some time to adjust and Stingers used this to their advantage. After a few unfortunate off side calls Posh scored a run of goals with some super movement from their GA and GS.

The last quarter saw yet another change for Stingers. Posh played well despite the score but Stingers came out victorious with a 57 goal lead to Posh's 33.

Final Score: Posha 33 - Nettlebed Stingers 57
