Mortimer Diamonds Vs Netchix

13/03/2019

POM: Catherine Venning (Netchix)

POM: Sophie B (M Diamonds)

March between mortimer diamonds and netchix.

This looked like it was going to be a close game with Borge teams side by side in the table.

Mortimer got first centre and got off to a flying start with some great shooting, despite the wind. Netchix were a player down in the first quarter and Mortimer took full advantage finishing the first q 11-4.

The second quarter, netchix were up to full strength and were very strong in centre court- making it very difficult for Mortimer to break any of their centres.

After a half time switch around , netchix began to close on the 11 goal lead and with some accurate shooting and nice play around the edge of the circle, the 3rd q ended at 23-12.

In the last quarter Mortimer's tactic was to maintain possession and build on the goal difference, which was made very difficult by the strong netchix defensive effort in the circle.

Final Score: Mortimer Diamonds 33 – Netchix 16

Whiteknights Vs Mortimer Diamonds

06/03/2019

POM: Tara Lacy (Whiteknights)

POM: Sarah Conran (M Diamonds)

I'm afraid there isn't a lot to report for this game, it was a wet and miserable night and even more miserable for Whiteknights who only had 6 players.

The first quarter was more even than the rest of the game with Whiteknights managing to score 4 goals but it was easy for Mortimer Diamonds who controlled the game with their extra player advantage. They led the first quarter with Sarah Conran, their player of the match, showing good court play and Mortimer's shooters converting their chances to lead 10-4.

The second quarter was much the same, Whiteknights only managing 2 goals, and unable to get the ball into their shooters. Mortimer scored another 10 goals and continued to dominate the game, leading 20-6 at half time.

It was pouring with rain and everyone was getting soaked going into the second half.

Whiteknights swapped their WA (and player of the match), Tara Lacey, into C at half time and C, Jo Awbery, went into WD which left them with no WA and this saw Mortimer stretch ahead further scoring 11 goals, and Whiteknights only managed 1 this time. Mortimer led 31-7 going into the final quarter.

Final quarter, at least the rain had stopped but it didn't stop Mortimer scoring goals, GS Rachel Wasylciw was on form and GA, V Rood, providing good support. Whiteknights swapped WD to WA and went back to having no WD but it didn't make any difference.

Final Score: Whiteknights 8 – 41 Mortimer Diamonds

Mortimer Diamonds Vs Zodiac

27/02/2019

POM: (Zodiac)

POM: (M Diamonds)

After some delay from the lack of floodlights, the first half began with a Zodiac Centre. The teams were evenly matched and it went goal for goal over the first 5 minutes. Mortimer shooters had their eye in and finished the first quarter with a small lead.

The second quarter saw some great feeds into the circle from Zodiac with a very high scoring average from the GA! The defence from Zodiac put Mortimer on the back foot and they made some unforced errors resulting in some turnovers for Zodiacs.

The third quarter, which is always the deal breaker for Mortimer, saw the favours switch and Mortimer increased their goal difference. There was some really nice play from both teams within the centre third with some bullet passes into the Circle by Zodiacs Centre Court players.

At the start of the final quarter Mortimer had a goal difference of 10, however, the game was so evenly matched this could have been lost over the last 10 minutes.

With some tactical play from Mortimer, they played the ball around between the centre court players to keep possession to win the game 31-20.

A really great game, evenly matched – Thanks ladies and thanks to the umpires.

Final Score: Mortimer Diamonds 31 – 20 Zodiac

LP Whirlwinds Vs Mortimer Diamonds

26/09/2018

POM: (LP Whirlwinds)

POM: (M Diamonds)

Whirlwinds got off to a great start with some fast centre court play and some good interceptions. Mortimer then settled pulling it back to lead at the end of the first quarter.

The second quarter saw some great play from both teams. Lots of tight marking. The whirlwind Ga was shooting confidently and this combined with some lovely passes into her enabled them to take the lead.

Mortimer dominated the start of the third quarter quickly bringing the score back to 15-15. It was a close few minutes with Mortimer ending up a goal ahead.

It was a very exciting final quarter with both teams working hard . Mortimer finished just 1 goal ahead.

Final Score: LP Whirlwinds - Mortimer Diamonds
