29/05/2019

POM: Megan Johnson (William HH)

POM: Maya Smith (RJ Orange)

On an unseasonably chilly and damp night both teams took to the court pleased that one of the last games of the season hadn't been rained off.

Williams Home Heat (WHH) got off to a flying start and with some excellent shooting managed to end the first quarter with a lead against Reading Juniors Orange (RJO) 7-2.

RJO fought back hard in the second quarter and WHH seemed to lose concentration a bit. This combined with some fabulous accurate long-range shots from the RJO shooters, Louise Lambert (GS), and Ali Hill (GA), RJO scored 7 goals in the quarter closing the lead on WHH to become level mid-quarter. With an extra spurt from WHH at the end of the quarter the score ended 14-9 to WHH.

WHH gained extra energy in the 3rd quarter and with strong interceptions in the centre third and great passes into the circle they managed to pull away their lead to end the quarter 21-10.

In the final quarter, despite the RJO defence working hard in the circle and tight marking, several flying leaps from the WHH GA Megan Johnson ensured that WHH received the ball in the circle and some magnificent shooting from her and Isabel North (GS) meant that WHH strengthened their lead.

Final Score: William HH 33 – Reading Juniors Orange 13

Reading Juniors Green Vs William HH

09/01/2019

POM: Julie Sugden (William HH)

POM: Aradia Chawama (RJ Green)

After a long break both teams took to court to brush off the cobwebs and try to get a win under their belt for the New Year.

Juniors took an early lead with Aradia Chawama & Latasha Lowe making their presence felt in the defending circle. The first quarter ended with a healthy lead of 11-1 to Juniors.

Some excellent play by both teams in the second quarter in the centre third meant more scoring chances for Williams but the Juniors defence stayed tight with Asha Rajoriya coming on as WD and Molly Robinson Murray as WA. Beth Mackenzie & Linda Humphries both worked tirelessly for Williams chasing every loose ball. The score at half time was still in the Juniors favour 18-3.

Another switch round at half time to keep fresh legs for the Juniors saw them initially struggle to get the ball into their shooters and some great interceptions by Julie Sugden, Williams GD, meant they didn't get as many scoring chances but again with a strong Juniors defence Williams shooters Megan Johnson & Isabelle North couldn't convert their shots. Quarter three score 24-5 to Juniors.

The final quarter saw Chawama off the court but the Juniors shooters Emily Gill & Millie Cooper followed every rebound and kept the pressure on Williams defence. Laura Sylvester, Williams GK did not give up and fought for every ball. North & Johnson managed to convert some lovely long range shots. The new centre court trio of Maddie Bennett, Rose Mould & Poppy Priestley worked well against the Williams centre court trio of Mackenzie, Humphries & Andrea Prior Williams.

Final score of a hard fought first game back 32-10 to Reading Juniors Green.

Final Score: Reading Juniors Green 32 – 10 William HH

Laurel Park Cyclones Vs Williams Home Heat

24/10/2018

POM: Hannah Scott (Laurel Park Cyclones)

POM: Megan Johnson (WHH)

It's was a slow start for both teams, Cyclones unbeaten in their 2 games so far this season - and Williams Home Heat who were playing their 4th game with a borrowed player from Headcase.

First quarter saw just 4 centre's being taken. Both C's B Mackenzie and Cyclones L Castle were covering the court tirelessly while the teams tried to settle, it ended with just 1 goal between the teams at the whistle.

Second quarter saw a couple of changes for Williams and a few more goals. Williams shooters managed to convert more of their shots to score 3 but the Cyclones and their tight defensive unit of K Mulvarey and E Corrigan Brown got the rebounds and along with WD H Scott got the ball swiftly up to their shooters who converted them perfectly helping them pull away by 8 goals.

Third quarter was much more exciting and evenly matched, Williams shooters I North and M Johnson got their eye in and with good feeds coming in from their C and WA E. Didier'Serre they upped their number of goals scored in the quarter to 5. But Cyclones were working just as hard to try and pull away putting their training into practise as GA Z Plummer accurately received the centre pass and swiftly got the balls into the circle to score. Williams closed the gap with good defensive work from their WD E O'Sullivan and more shots on target to get within half at the close of the quarter with the score 18-9.

The final quarter saw even more goals but most for cyclones. Despite some early good turnovers from GK A Prior-Williams and GD A Hutson there was little that could be done to stop cyclones GS A Ferrin who continued to hold her space perfectly maintaining her accurate shooting and with the well timed feeds in from her C and WA K Courtnadge they got a well earned win 27-12
