Historic Waverly Neighborhood Protection Association Monthly Meeting

6:00 p.m. Monday, September 14, 2015

Allen University Community Center

Frank Houston, Vice President

Ray Borders Gray, Secretary

The meeting opened shortly after 6 p.m. by Frank Houston who explained that President Ed McDowell would be late because of a prior engagement. Then, a motion was made by Ronald Davis and accepted Sylvie Dessau to add to the agenda a prayer by Mr. Cummings and remarks by District Two Council Candidate Aaron Bishop.

The Community Officer Report was delayed until CPD officer Orlando Santos arrived. Officer Brewer of Allen gave his report and noted that he would continue to work with Officer Santos to address issues of concern. Ronald Davis praised CPD and Allen's officer for a job well done in dealing with vehicles showboating after the Benedict game.

Candidate Aaron Bishop spoke about running for the District Two seat and provided pamphlets to attendees.

Treasurer Sylvie Dessau had to leave, but asked Ray Borders Gray to read the prepared budget statement, which stated that the money taken out for national Night Out were replaced with funds received from financial donors. The bank balance was also presented.

In other business, the group voted to approve St. Martin de Porres request to close Hampton and Oak and Hampton and Pine on November 14 from 10 am to 5 pm. Mr. Houston asked Mr. Cummings and Deacon Carl Johnson to follow-up at next month's meeting on issues that surfaced about the empty lot and unkempt grounds.

The sign to celebrate First Calvary 150 years has been designed along with the historic sign for the Waverly neighborhood. Mr. Houston said more work still needs to be done.
