

# Welcome to The Corner House

We are a family run business offering high quality meals and snacks in our bijou cafe.

We have over 25 years experience in the business, and we hope this is reflected in what we offer.

We pride ourselves in giving all our customers a warm Yorkshire welcome, & hope you enjoy your visit today.

Please let us know if you have any particular dietary requirements.

With best wishes,  
Declan & Sarah

## WE BELIEVE IN BUYING LOCAL.

We use two local butchers, our bread is baked daily by Craven Bakery & our fresh produce is procured from Class One in Skipton. Our coffee & speciality teas come from nine miles down the road, milk & cream is delivered from the dairy just up the road & we only ever use free range eggs.

For our Gluten Free Diners we use a separate fryer and take steps to ensure there is no cross contamination. We can adapt most of our menu to be gluten free, and anything with a \* next to it can be prepared Gluten Free.

We also have a specials board which offers more options, including our Gluten Free Burgers.

We make our own salad dressings and most of our sauces are Gluten Free too. We always have at least two Gluten Free cakes on offer, and have a large selection which changes regularly.
