No matches on 23rd November due to setting up for the presentation evening.

We can fit in an extra 'cycle' of matches if you wish. This would involve playing short, 8 end / 70 minute matches (whichever is quicker) back to back on the same day. A proposed fixture list can be found below. If EVERYONE is happy with this extension to the season it can go ahead. Please let me know if you are happy with this. If I do not hear from ALL teams I will assume it is not required.

The alternative is to have an alternative competition for the remaining weeks, such as Australian Pairs.
