Wednesday Evening League – Please Read

Because of the admission of an extra team this year (8 teams instead of 7) we will not be able to fit in as many rounds of matches as last year. This means that in order to fit in complete rounds of matches all fixtures will finish on March 4th. However, I have included an extra round of fixtures on the fixture sheets that run to the end of April and, even then, there are not enough weeks.

In my mind this leaves us with three options:

1. The season finishes on March 4th. I am sure most people will not want this.
2. Play matches well in to April as set out on the fixture sheets and hope that the final fixtures become largely redundant as the league winners and most of the league positions will have already been decided.
3. The final round of matches from March 4th onwards are played without the bottom placed team. This will mean that the season finishes with the last matches on 22nd April. I personally feel uncomfortable with this option.

My preference is option 2 but I would welcome your comments and opinions. Alternatively, if you have a better suggestion please let me know.

Regards,

Rowland
