Happy Easter! What a joy to celebrate and affirm that goodness is stronger than evil, that love triumphs over fear, and that life, not death, is the final word.

What Easter does

Jesus' resurrection from the dead is life-changing and life-giving for his followers. But, as Henry Knox Sherrill notes, Easter's "joyful news ... does not change the contemporary world." On earth, we still must deal with sin, pain, death and brokenness. And "still before us lie work, discipline, sacrifice," Sherrill adds. What Easter does, though, is provide Christians with "the spiritual power to do the work, accept the discipline and make the sacrifice."

By defeating the grave, Jesus empowers us to bear our worldly troubles with joy, peace and hope. His resurrection assures us that trials, tears and suffering are only temporary, while eternal victory and life with Jesus are permanent.

*"Early hasten to the tomb ... all is solitude and gloom." Then — suddenly! —
"Christ is ris'n! He meets our eyes. Savior, teach us so to rise." ("Go to Dark Gethsemane")*
