

# STAHL

## Renegade Service Body Package

**The Renegade is a straight-forward 8' service body that has a place in every market. From its value filled design makes it the perfect package!**

- 96" welded construction body
- Ford & GM 56" CA SRW chassis – Dodge 57" CA SRW available soon!
- Includes straight lighted bumper – compatible with OEM receiver hitch

- Package price does not include fuel fill hardware or electrical adapters.
- Part # 190252

## STANDARD FEATURES / EQUIPMENT

- **Body Mounting Kit** – Universal understructures for Ford and GM.
- **Bumper** – Straight Lighted Galvanneal Bumper with mounting brackets compatible with GM/Ford OEM receiver hitch\*. Smooth steel with non-skid tape.
- **Compartment Top and Loadspace Inside Center** – One-piece seamless construction.
- **Compartment Interior** – Finished with bright white primer.
- **Doors** – Beveled edges for improved weather seal.
- **Door Hinge Rod** – Cadmium-plated with zinc-cast hinge blocks and nylon bushings.
- **Door Holders** – Spring-loaded vertical door holders (double spring to hold door in open position).
- **Door Seal** – Automotive bulb-type door seal (factory installed).
- **Drip Rail** – Runs the full length of the body and provides extra protection against water leakage.
- **Fender** – Die-stamped with radius wheel opening.
- **Horizontal Doors** – Vinyl-coated aircraft cables on horizontal doors.
- **Lock Cylinders** – Keyed alike with double-bitted keys.
- **Prime Paint** – High-grade automotive type. Bodies are cleaned with a high-temperature, high-pressure chemical solution prior to prime painting.
- **Rotary Door Latches** – Stainless steel paddle handles and painted galvanneal steel pans. Latches are rivet-on for ease of removal for repair or replacement.
- **Shelving** – Adjustable clip-in design.
- **Shuttle Cutout** – 7" x 16" window between horizontal and rear vertical compartments provides extended storage between compartments.
- **Striker** – Adjustable, bolt-on. Steel striker support bracket is welded to body panel.
- **Tailgate** – Lift & Lock style.
- **Undercoating** – On underside of floor and wheel wells.
- **Vertical weatherstrip** – Shields door hinges and hinge rod and provides extra protection against water leakage. Weatherstrip is seamless design on front end panels.
- **STAHL**'s exclusive 3-year "No Rust, No Bust" warranty.

\* Renegade package is not compatible with STAHL receiver hitch. To use STAHL receiver hitch with Renegade package, STAHL mounting brackets #175463-01,-02 must be ordered separately.

## STANDARD CONSTRUCTION

- Bulkhead ..... 14 gauge galvanneal steel
- Bumper..... 12 gauge galvanneal steel
- Compartment Bottoms ..... 16 gauge galvanneal steel
- Compartment Tops ..... 16 gauge galvanneal steel one-piece seamless design with loadspace inside centers
- Crossmember – Front ..... 7 gauge formed steel
- Crossmember – Inter ..... 12 gauge formed steel
- Crossmember – Rear ..... 7 gauge formed steel
- Doors..... 20 gauge galvanneal steel double panel with hat section reinforcement
- End Panels – Front ..... 16 gauge galvanneal with seamless weatherstrip
- End Panels – Rear ..... 16 gauge galvanneal steel seamless
- Fender Panels ..... 14 gauge galvanneal steel
- Floor ..... 12 gauge treadplate steel
- Intermediate Panels ..... 16 gauge galvanneal steel
- Loadspace Inside Centers ..... 16 gauge galvanneal steel one-piece seamless design with compartment tops
- Longitudinals (floor)..... 11 gauge formed steel
- Shelving..... 16 gauge high-spangle galvanized steel – 250# capacity
- Tailgate..... 16 gauge galvanneal steel double panel formed
- Steel is A-40 two-sided zinc-coated galvanneal (.40 ounces of zinc coating per square foot of steel).
- Body construction is welded. Body surfaces are flush with unexposed edges for rust-resistance.

## STANDARD SHELVING PACKAGE

“V” Side Compartmentation (full-height front vertical, short horizontal, full-height rear vertical)

| COMPARTMENT    | COMPT. WIDTH | CURBSIDE  | STREETSIDE  |
|----------------|--------------|---|---|
| Front Vertical | 26"          | One (1) clip-in, adjustable material tray with dividers             | One (1) clip-in, adjustable material tray with dividers |
| Horizontal 50" |              | One (1) full-width adjustable (bolt-in) material tray with dividers | Open  |
| Rear Vertical  | 20"          | One (1) clip-in, adjustable plain shelf                             | One (1) clip-in, adjustable plain shelf                 |

## DIMENSIONAL SPECIFICATIONS

Standard Height Model (“V”)

| DESCRIPTION          | 96S     |
|----------------------|---------|
| Floor width          | 48 1/2" |
| Cab-to-axle 56"      |         |
| Body length          | 96"     |
| Front vertical width | 26"     |
| - Clear door opening | 24 3/8" |
| Horizontal width     | 50"     |
