

SB SERIES

MEDIUM DUTY RAIL GATE

1,250 lb. and 1,600 lb. Capacities

**Transforms Your
Service Body into
a Multi-Purpose Vehicle**

Products shown may feature optional equipment.
Content subject to change without notice.

Optional Aluminum Platform Shown

STANDARD SB SERIES ADVANTAGES INCLUDE:

- Applications - service bodies and side mount on flat beds
- Rail-type design offers maximum stability
- Safer: – level-ride, greater load stability
– fewer pinch points
– anti-skid steel treadplate platform
- Exclusive above floor lift option lifts with a maximum above floor travel of 7"
- Chain and sprocket drive ensures smooth operation and eliminates costly cable replacement
- UHMW - Slide pads on runners

OTHER STANDARD FEATURES:

- "Level ride" lift provides straight vertical platform movement for cargo stability unlike arcing motion of cable lift
- Power unit installed, tested and enclosed in weather protected housing
- Torsion bar assisted platform makes it easier to open and close
- Pressure compensated flow control valve controls platform descent regardless of load weight
- Built-in toe deflector
- Weather sealed electric controls
- License plate recess
- Charge line circuit protection
- Meets TMC specifications
- Powder coat finish on key liftgate components produces a high-quality finish that is exceptionally resistant to corrosion and abrasion

**Transforms your service body into
multi-purpose vehicle.**
