# Canby Community Preschool

## Welcome (or Welcome Back!) to CCP!

Dear Families,

Thank you for choosing CCP for your child's first school experience!! For those of you who are returning, thank you and welcome back. You have our utmost respect and sincere gratitude for being involved in your child's education. The time and energy that you put in now will truly pay off as you and your child navigate through the school system over the next 14 or 15 years. The co-op is the perfect way to start this journey because the parents and teachers can work together with the child. The growth is amazing and it will happen before our eyes. The key is stepping back to watch from time to time and enjoying even the crazy moments. It is vitally important that we give children time to grow and develop as nature intended him/her to, through play! We plan to educate the whole child, (you will hear this frequently and we really believe in this) socially, physically and academically. Always remembering that each child is unique and progresses at his/her own rate. Each child is loved and respected for who they are. Adaptations will be made as needed to ensure that the needs of each child are met. We want each child to wake up in the morning and excitedly ask, "Is it a school day?" The love of learning starts in preschool and our goal is to help create life-long learners who investigate and marvel at the world around them. We are looking forward to a wonderful school year. We will paint, get really messy (play clothes are best for our school), run, pretend, sing, read, count, celebrate and travel on field trips. Every day your child will have the opportunity to explore, discover and learn to get along with others. There is nothing better than a classroom full of preschoolers! The energy is amazing! We can hardly wait!

Enjoy the rest of your summer and we look forward to seeing you very soon.

Sincerely,

*Andy, Jen and Rosalie*

come  
together  
play together  
grow  
together

## Dates to Remember

### AUGUST

- |    |                   |  |
