

CANBY COMMUNITY PRESCHOOL

2016-2017

RELEASE OF INFORMATION FORM

Since we are a community preschool that includes parent involvement, we would all benefit from having contact information for our preschool community. If you would be willing to have your child's name, your name, address, phone number and email in a membership list published only for our preschool community, please sign below.

I give authorization to Canby Community Preschool to publish the information mentioned above in a membership list for other families in the preschool.
