

CCP Emergency Kit

In case of an unexpected event during school hours, we ask that all students have an emergency kit at the school. Kits should be assembled and turned in on the first day of school. Most of these items can be found at the grocery store and you can create a fun treasure hunt with your preschooler to assemble it! Please note all food and drinks should be non-perishable.

Check off the following items:

- 2 boxed drinks
- 1 can of food with pull-top lid (pasta, chili, etc.)
- 1 can of dessert with pull-top lid (fruit cup, pudding, etc.)
- 1 sucker
- Disposable fork and spoon
- 1 small package of baby wipes
- 1 soft packet of facial tissue
- 1 rain poncho OR 2 large garbage bags
- A recent photo of your family
- Any special medications your child may need, with instructions for use
- A personal note to your child expressing love and encouragement

Place all items in a zip-top bag with this form and turn in to the Health and Safety Coordinator.

Child's name

Emergency phone number

Parent's name

Parent signature

Name and phone number of an out-of-state friend or relative
