WELCOME

WELCOME (OR WELCOME BACK!) TO CANBY COMMUNITY PRESCHOOL

Thank you for choosing CCP for your child's first school experience!! For those of you who are returning, thank you and welcome back. You have our utmost respect and sincere gratitude for being involved in your child's education. The time and energy that you put in now will truly pay off as you and your child navigate through the school system over the next 14 or 15 years. The co-op is the perfect way to start this journey because the parents and teachers can work together with the child. The growth is amazing and it will happen before our eyes. The key is stepping back to watch from time to time and enjoying even the crazy moments. It is vitally important that we give children time to grow and develop as nature intended him/her to, through play!

We plan to educate the whole child, (you will hear this frequently and we really believe in this) socially, physically and academically. Always remembering that each child is unique and progresses at his/her own rate. Each child is loved and respected for who they are. Adaptations will be made as needed to ensure that the needs of each child are met. We want each child to wake up in the morning and excitedly ask, "Is it a school day?" The love of learning starts in preschool and our goal is to help create life long learners who investigate and marvel at the world around them.

We are looking forward to a wonderful school year. We will paint, get really messy (play clothes are best for our school), run, pretend, sing, read, count, celebrate and travel on field trips. Every day your child will have the opportunity to explore, discover and learn to get along with others. There is nothing better than a classroom full of preschoolers! The energy is amazing! We can hardly wait!

Enjoy the rest of your summer and we look forward to seeing you very soon.

2018-2019 Canby Community Preschool: Supply List

Dear Parents,

Welcome to an exciting new year of preschool. To help you prepare, we are sending out the supply list now. All of the items will be pooled together so please do not label them with your child's name. The only exception is the lunch box and backpack which should be labeled. Please bring the items to the orientation, parent training, open house or the first day of school. If the cost of these items is too much for your budget at this time we will accept them anytime throughout the year. Thank you very much for your willingness to help our school.

CCP Emergency Kit

In case of an unexpected event during school hours, we ask that all students have an emergency kit at the school. Kits should be assembled and turned at Parent Training. Most of these items can be found at the grocery store and you can create a fun treasure hunt with your preschooler to assemble it! Please note all food and drinks should be non-perishable.

Check off the following items:

- Boxed drink
- Can of food with pull-top lid (pasta, chili, etc.)
- Can of dessert with pull-top lid (fruit cup, pudding, etc.)
- Disposable fork and spoon
- Wipes, travel size
- Facial tissue, travel size
- Rain poncho

Place all items in a zip-top bag with this form and turn in to the Health and Safety Coordinator.
