

## FROM THE CLASSROOM

What an amazing September we have had. It is so nice to see the smiling faces coming into the school. The children are settling into a routine, and hopefully asking "Is it a school day?" when they wake up in the morning. New friendships are forming and old friendships are just as strong. The children are beginning to work out conflicts on their own. We will continue to work on this as the year progresses. You might hear your child say, "Can I have a turn." or "When I'm finished." Building social competence is very important and takes practice. The more children believe they can handle a situation, the better off they are.

In October we will talk about sunflowers, apples, pumpkins, farm animals and spiders. It is a fun month. The dramatic playroom transforms into a veterinary clinic. The children love playing vet. It is a great way to practice showing empathy and caring. We also have our first field trips. **Monday, Oct. 15th, Andy's 4's AM class will go to Fish Farm and 4's PM class will visit Perrin Dairy. On Oct. 17th, Emily's 3's class visits Flower Farmer and Andy's 3's goes to Flower Farmer on Oct. 18.** Each child will be able to pick out a pumpkin when visiting the farm. Pumpkin carving night for the entire school & families is October 24th (more details on page 2).

We will not have school on Friday, Oct. 12th as it is a statewide inservice day. We also do not have school on Tuesday, Oct. 31st and Wednesday, Nov. 1st. Instead, teachers will do phone conferences. We will call each family to check in and ask how you feel the school year is progressing for your child and for you. We can't thank you enough for all the help you have given us the last month. Our school is such a great place for fun and learning and so much of that has to do with the help you give us each and every day. We really appreciate you and couldn't do it without you. Enjoy the beautiful fall!
