Canby Community Preschool

Happy New Year!

Dear Families,

Happy New Year! We hope you all had a wonderful holiday season. Can you believe how fast the school year has gone? Your child has grown tremendously both physically and socially. It is exciting to see the children start to develop lasting friendships and really show that they care about the other children in the class. Having empathy and being able to show they care is not an easy concept for children. The three-year-olds usually start to show a great deal of dramatic play at this point. They are developmentally ready to think of someone besides themselves (at times). Children are naturally egocentric and they need to practice thinking of others. The adults in their lives are the best examples. They are always watching us!

This month we will focus on winter, the human body, and the hospital or doctor's office. We will change the dramatic play room into a hospital and practice taking care of each other and showing empathy. The four-year-old classes will be working on making their own bodies that we will then hang on the ceiling. This is a wonderful project that will take us a full week to complete. The three-year-olds love looking at the bodies on the ceiling and look forward to doing the project next year. We will end the month with a pancake and pajama party on Wednesday, January 29th and Thursday, January 30th.

We will continue to go outside whenever we can. Please send the children with warm coats, hats, and gloves. Please remember that school starts at 9:00 am and 1:00 pm. We know that children are anxious to get started but it is really important for us to have a few minutes with our parent helpers before class starts. If you are helping, please arrive by 8:30 or 12:45. We can not thank you enough for your continued support. The time and energy that you put into our school is evident each and every day.

Hugs,

Teacher Andy, Teacher Jen, and Teacher Rosalie

BottleDrop

We would like to remind you of an easy opportunity for you to support our school! With our new BottleDrop account, you can fill our fundraising bags with your cans and bottles and drop them off at any BottleDrop return, including the two in Canby. If it's easier, you can also bring them by the school. Look for the blue bags in the hallway, with their stickers already on them and ready to go. Thank you for your part in helping our school run well!
