### Follow these steps to get started:

Download the [TeethAligner](#) Prescription from [BurtonRandall.com](http://BurtonRandall.com).

Scan your patient using your Intra-Oral Scanner; Take a full smile picture and any x-ray's you may want.

Go to the Apple App Store and download the free iROK App. Register, start the iROK App and log in.

Go to the website [www.irokdds.com](http://www.irokdds.com) and log in using your iPad name and password. Click on "Submit a Case" and follow the instructions.

Upload your Scan file, Full smile picture and Rx.

Within three days, you will receive your DreamSmile™ Treatment plan on your iPad for your patients and your review. (The Tx plan will show the number of TeethAligners needed to complete the treatment)

To start the case, simply email [us](mailto:us) with your case number and the word "Approved" in the subject line. You may also ask us to send you a box of EverSmile® White Foam. We'll ship you 12 bottles at half price for you to re-sell to your patients if you wish. (Each bottle lasts one month)

We will send you two months of TeethAligners (four stages) at a time. Every two months you should have the patient return for a status check and to receive the next two months of TeethAligners.
