COMMUNITY WELCOMES NEW RESIDENTS

Ronald and Peggy Branson are the new residents at 165 East Methodist Drive (Ext. 1340). They moved to Franklin United Methodist Community from Danville, Indiana. Ron is a retired United Methodist pastor. Peggy enjoys reading and family, and Ron likes reading and music. They state they are pleased to have found such a friendly Community. The Bransons have three children, seven grandchildren and nine greats with one on the way! Greet Ron and Peggy and welcome them to FUMC then add them to your directory.

You have heard much in the news about the latest telephone scam running around the country. Your telephone rings, you answer, and the caller asks "Can you hear me?" Once you say "yes!" these criminals record your voice to be used at a later date to falsify paperwork which makes it appear you purchased or authorized something for which they can demand and collect payment. Please remember if you see a number flash on your caller ID that you do not recognize, do not take the call. If you have an answering machine to which you can "listen in" when calls come in, do just that. Let your answering service do the work. You can always pick up that call once you know who it is. Friends and family will understand if you don't answer right away, but call them right back.. The "Can you hear me, now?" telephone calls are scams, so please be cautious.

"I said, how do you send a text with this thing?"
