Gary Howard Celebration of Life Sunday

From: Dan Richards

We have nailed down a date and place for the Gary Howard Celebration of Life. It will happen Sunday, November 10 from noon-6pm. Albert Icehouse and Dance Hall (www.alberttexas.com) is located in Albert Tx outside of Hye Texas just west of Johnson City. You can also get driving 290 west and cutting off 290 in Hye, Tx or you can get there the back way from Blanco, Tx. The spot that is big enough outside for all the classic cars to park in these great grassy areas and also room for the spectators and we can set up donations for the music in the dance hall so we can raise some money for Jo Ann. I am hoping we can get at least 50-75 classic cars to attend. Trying to get as many Gary Howard Customs out there as possible. I have no idea on the car count, but I know with enough notice we can get folks to come in from out of town.

These are some of the fund raising ideas we have come up with so please feel free to add to the list. We are only 5-6 weeks away from this event so we have to get it in high gear to make this all happen smoothly and get the best turnout possible. I think we can do it with everyone's help and getting the word out. We will try and get a flyer put together soon that we can distribute on line and get on the HAMB and pass out in person. There is a drive in at Top Notch this Saturday night. Let me know if you want to add to the list below. All proceeds will go to Jo Ann. Any other ideas or help would be appreciated. I know this is coming up fast and there is a lot going on between now and then(Including the Bayou Round Up, so hope to see you all there), but please start telling everyone to get it on their calendar and we will get something up soon to start selling raffle tix for the '41 Merc. As more donated items come in I will update the list. Thanks for all your help and know Jo Ann really appreciates this. See you all soon.
