2019 Margaret Mary Jonas Memorial Scholarship High School

**1 (one) Scholarship of \$500 will be awarded.
Essay of 500-700 words**

Essay Topic: Transportation

Students have home, school and work responsibilities and they, sometimes, need to depend on others for transportation when they don't have a car or a driver's license. Pike County has many senior citizens who no longer drive and face the problem of getting to doctor's appointments, shopping, visiting friends/family, etc. Pike County does offer several modes of transportation to get around the county, but problems still exist. A viable public transportation system in Pike County appears to be what is needed. Discuss the pros and cons to implementing a public transportation system in Pike County and the availability of the transportation modes in the county. Please give examples, personal experience and historical perspective in your response.

Essay must show appropriate development, sentence structure, spelling and grammar. Evidence of cut and pasting from the Internet or plagiarism will be cause for automatic disqualification.
