Early Bird Discount before May 17!

Session I 8:00AM – 11:00AM

Orchestra – Students will have the opportunity to play a variety of music in an intensive, but fun-filled, large ensemble experience. **Intermediate Orchestra** (Grades 4-8) and **Advanced Orchestra** (Grades 7-12) are offered. Students will showcase what they have learned in a brief concert on the last day.

Session II 11:00AM – 2:00PM

Bringing Out Your Best – Auditioning and being a leader in your orchestra can be scary and challenging for musicians. We dedicate this session to individual help with: solo repertoire, practice habits, audition preparation, overcoming stage fright, and overall technique.

Session III 2:00PM – 4:00PM

Chamber Music – Playing music in small groups (quartets, trios, etc.) is both fun and rewarding. Students will learn about teamwork and musicality in this session geared toward string students entering grades 5-12.

OR

Building on the Basics – This session is perfect for younger students who would benefit from individual help with note-reading, rhythm, and string technique. We focus on skills introduced in the first year of playing.

Meet the Directors

Tim Reinhardt teaches in Howard County. He has conducted the HSGTO, ESGTS, and the Harford String Orchestra. He is a frequent adjudicator and guest conductor in the Maryland area.

Bonnie Zeitler has been teaching orchestra in Howard County for the past 16 years, currently at Manor Woods ES. She directs the Howard County Middle School GT Orchestra and frequently judges music festivals across the state.

You can attend all day if you sign up for 3 sessions, but feel free to choose a la carte
