### **\*\*\* DRAFT \*\*\***

#### **MISSION STATEMENT**

The mission of the Onaway Community Chamber of Commerce is to represent, promote and improve the business community of the Onaway area in the development of programs, services and advocacy, which will improve the economic well-being of our business members and citizens while preserving our quality of life.

#### **VISION STATEMENT**

The activities and programs of the Onaway Community Chamber of Commerce are envisioned, designed and executed around a single, simple and direct vision: *Building a prosperous community through business leadership, and making Onaway the best place live, learn, work and play.*

#### **VALUES STATEMENT**

The core values outlined in this statement are the attitudes and behaviors we expect from ourselves and each other on a daily basis as we work together to accomplish the mission of the Chamber.

- **Focus on the Customer**  
Consistently provide timely and accurate information, prompt assistance, high quality programs and services; focus on member needs; and develop and retain lasting relationships.
- **Deliver Leadership**  
Encourage personal and organizational excellence with a bias for action; insist on giving our best effort in everything we do; accept responsibility and be held accountable for recognizing opportunities; and make decisions based on the best information available.
- **Build Teamwork**  
Encourage cooperative relationships within the Chamber, and between the Chamber and others; share information; treat others with respect; develop trust; establish common goals; and maintain effective communication.
- **Recognize Excellence**  
Demonstrate a high standard of integrity and civility; bring a positive attitude to our everyday work; and celebrate individual and team achievements.
