Subject: Re: Deer Harbor Fire Station - from Clay Parsons, President, CVHA

Dear Chief Preysz:

On behalf of the Board of Directors and members of the (CVHA) Cayou Valley Homeowners Association I would like to thank OIFR for making the Deer Harbor Fire Station conference room available to local neighborhood and community groups.

Cayou Valley Homeowners have used the station conference room for our last two General Meetings and plan to continue to do so in the future. It is convenient to our Deer Harbor neighborhood, the conference room is large enough to easily accommodate all of our members and quests, and there is more than adequate parking.

The availability of the Fire Station conference room is a great asset to the Deer Harbor community.

Thank you again.

Sincerely,

Clay Parsons
